Whalers Helping Whalers

- Food Insecurity: Organizations that aid in food security, directly or indirectly.
- Global/Future Grants: International funds go towards disease prevention and eradication, sanitation, environmental preservation and education globally. Funds are also used for Club grant projects.
- Community/Environment: Improvements to the local community for infrastructure and recreation.
- Veterans & Military: Supporting our veterans, and present military personnel.
- Education/Vocation: Educational and vocational support for East Lyme and Salem students.
- Senior Citizens: Supporting our senior citizens.
- Health/Wellness: Organizations or causes that assist with the health and wellness of humans, providing resources and treatment.
