## A message from the editor

What a great August we had!

Looking back at August, it was so great to see how much fun we had as a club. We celebrated our first social in a long time, we had a great service project, we welcomed a new member and enjoyed our annual picnic again. I don't know if its just me, but post (almost) pandemic,

I truly appreciate community, family and friends. I love that I have found all three in this club. And on that note, here is your monthly WAVE. Enjoy

In honor of the upcoming Oktoberfest, a photo of me in a walk on role (the bowing lady) in 5th Avenue production of The Sound of Music.

Don't forget to sign up to volunteer at this major fund-raising event.

**At our first Thursday night social in a long time, members enjoyed the beer and friends at Salish Sea Boathouse. It was great to see so many of us enjoying a beautiful summer evening in Edmonds.**
