## PEOPLE OF ACTION

### District Fall Foundation Assembly

By Doreen Kelsey

The District is offering an opportunity to learn more about The Rotary Foundation - how you can use it to your club's advantage, how to promote it, how to write a grant, see what others are doing, and have fun sharing with other Rotarians.

Choose either the Spokane Valley location, or beautiful Creston, B.C.

This is an opportunity to get grant qualified, and to have your questions answered.

This is the agenda so you can see what to sign up for! We are very pleased to welcome LeAnn Mobley as our keynote speaker for both days. LeAnn is a passionate Rotarian. If you have been to PETS where she's been a training leader. For district 5110 she has been Training Coordinator, Foundation Fund Development Chair, Grants Chair, and Rotary Leadership Institute instructor. She has been a faculty member, training incoming district governors. She has served as Assistant Regional Rotary Foundation Coordinator for Zone 27 for 4 years and is currently the Zones 26 and 27 Global and Disaster Grants Specialist. There's more, too! Come and meet LeAnn and learn from this amazing woman about The Rotary Foundation.

LeAnn gets the Rotary Foundation, and is coming to our Fall Foundation to help all of us 'get it' too!

### Setting Goals for Foundation Giving

By William Dunwoody MBA, PhD, FACHE, IEPA

# District 5080

All club leaders are reminded that annual goals for Annual Fund and PolioPlus Fund contributions must be established by each Club at the beginning of the new Rotary year.

Revised guidelines for this goal-setting process can be viewed by clicking the link below.

## D5080 Rotarian Awarded IEP Ambassador Status

Bill Furey, member of the D5080 Passport Peacebuilder Club, the D5080 Peace Committee, and the Waterton Glacier International Peace Park Association has joined the ranks of those who have achieved the honor of being designated an Institute for Economics and Peace Ambassador. Bill completed the comprehensive program during the Spring 2023 Cohort and fulfilled the requirements of the programme by submitting a paper on the complimentary interaction of the D5080 Peace Pole Project and the 8 Pillars of Positive Peace.

A Fall 2023 Cohort is planned to begin in October, 2023. Information on this program is available on the [IEP Ambassador Programme webpage](#).

Prior recipients of this recognition in our District include Nancy Milton, Walla Walla Noon Rotary and Bill Dunwoody, D5080 Passport Peacebuilder Club.

Hello Rotarians,

The countdown is on to the Assembly in Waterton Glacier International Peace Park. What a great opportunity to visit this gorgeous area! There are so many exciting things to look forward to in our time together. In this month's video Maria talks about the how-to of registering. If you have not registered yet, please do so as we need to get our final numbers to the caterers.

Please take a few minutes to set up a scholarship opportunity for a Rotaract Student who would very much like to join the Assembly. The 1-day scholarship costs \$100 per student. In the video, I cover how to set this up. We are deeply grateful for your generosity and so are the Rotaract Students.

See you there!

## Explore Waterton Glacier!

By Maria Kliavkoff on Friday, August 11, 2023

The month of August is a great time to go out and enjoy the trails in the beautiful Waterton and/or Glacier National Parks. In this month's [Waterton Glacier International Peace Park Association](#) President's Message, Maria speaks with our Conservation and Environment Action Team Chair, David Savage.

Together they share the work the Action Team has been doing, the resources available on our website, <https://www.watertonglacierpeacepark.org/> and they talk about the unique hiking and learning opportunities available during our next September Assembly in Waterton Lakes Park. [Registration is now open.](#)

Attending the Assembly is an excellent opportunity to explore this gorgeous region - come and enjoy relevant speakers; take a boat ride and/or hike along the lake, and participate in the heartwarming Hands Across Borders ceremony, and so many more events.

## World Polio Day Alliterations

Friday, September 1, 2023

For more info click [here](#).

World Polio Day is right around the corner! What kind of fundraising/awareness event might your club do? Does "Pints for Polio" or "Pumpkins for Polio" or "Pancakes for Polio" turn on a lightbulb in your head? How about "Roast Pig for Polio", or "Pinot for Polio", or "Pajamas for Polio"?

Here is a fun way to raise funds. Team M & M (Mike and Marny) has asked Rick Barry, a former NBA Hall of Fame basketball player for the Golden State Warriors (known for his underhanded free throws), to sign 24 basketballs, which will then be sold to Districts or Clubs at cost to be used for fundraisers for PolioPlus. Rick Barry's jersey number was "24" and World Polio Day is October 24! Rick is also a Paul Harris Fellow. And now, he is joining us to help end polio.

Zone 27 End Polio Now Coordinator Mike Crosby will soon be sharing how Districts and their clubs can participate.

## It's official! World Polio Day In Idaho

Wednesday, September 13, 2023

Hello, Rotarians! This message is going out to AGs in both District 5400 and 5080. The reason I'm communicating so broadly is because we have a (super cool!) state-wide initiative.

At our (Rotarians in 5400) request, Governor Little has declared October 24 to be **World Polio Day in Idaho**. We are honored and excited to have this as an official state proclamation since it brings awareness to End Polio Now efforts, and can be a launching point for Rotary PI efforts across the state. Now the fun begins!

## WACANID Days 1 & 2

By Lynn Theresa O'Connor on Wednesday, September 13, 2023

Have you heard of WACANID? It's a six day cycling ride that the International Selkirk Loop (<https://selkirkloop.org/>) hosts: WAshington, CANada, and IDaho (wacanid.org), all within our District's boundaries! So it's logical that Rotary clubs along the route provide support for the riders. Well, the riders took off yesterday from Sandpoint, who hosted a fun and informative gathering Sunday night; then onto Colville after 100 miles or so and a mountain pass. Newport-Priest River hosted safe and nutritious passage. Day two has them leaving Colville and riding some gorgeous Eastern Washington scenery and riding to Rossland. The Kettle Falls club gave them a wonderful taco bar lunch.

The supporting clubs use this event as fundraisers, and the efforts are quite fruitful.

They still have days and days to go!

## DISASTER RESPONSE TO FIRES IN OUR DISTRICT - HOW YOU CAN HELP IN BC OR WA

By Doreen Kelsey on Thursday, August 24, 2023

As you may be aware by now, the areas most affected by recent wildfires in and near our district are in West Kelowna, British Columbia and eastern Washington,

USA near the communities of Medical Lake and Elk, Washington. Rotarians throughout the district are active in responding to each of the fires, including the District 5080 Disaster Response Team, led by Dan Crawford. [Read More](#)

## Young traveling Rotarians ~ an opportunity!

Tuesday, July 11, 2023

Hello Rotarians! My name is Evyn Batie. I am a 23 year old Rotarian from Loveland, Colorado and I am on a mission!

It has been my ambition for several years now to utilize my planned gap year (fall of 2022 through fall of 2023) as a service and learning opportunity. I am hoping, as a young Rotarian, to partner with Rotarians and Rotary Clubs around the United States and the world to create a unique traveling volunteer experience. As I travel, I am focused on finding organizations to serve and ways to give back to the community.

It is my hope that this gap year will allow me to learn more about Rotary around the country and the world and will make me a better leader and stronger Rotarian for my own community.
