Presidents' Message

By Elizabeth A. Ness

Our 100 year "Celebration" is close and I'm "So Excited" for the "Blinding Lights" of this "Larger Than Life" gala. Whether you're a "Dancing Queen" or a "Sharp Dressed Man" you'll "Wanna Be" in "Vogue" at this "Love Shack" of a event where we'll party "All Night Long". "What a Man Gotta Do" is please "Knock on Wood" that you'll have the "Freedom" to "Shake Your Groove Thing" and "Twist and Shout" because "Groove is in the Heart" on March 15th. "I Feel Good" that you don't need to go to "Boston" or "Green River" so you can "Take the A Train" and "Flash Dance" with us that evening. All I know is it's

"About Damn Time" "The Reflex" brings us together as "Another One Bites the Dust" on the last century. So no "Jive Talking", just "Shake it Off" and "Call Me Maybe" to get your tickets because "What I Like About You" is you're a "Dynamite" "Happy" Rotarian. As for me, "All She Wants to do is Dance" so "There's Nothing Holding Me Back" because I'm "Better When I'm Dancing" and "I'm Walking on Sunshine" for this "Party Rock Anthem". Come on and "Build Me Up Buttercup" and have the "Last Dance" at our 100 year anniversary party March 15th!

March 7th Community Service - Global Issues Conference

By Gerald William Whitman Harris

North Eugene High School Global Issues Conference!

Dear fellow Rotarians – We have another great volunteer opportunity coming up soon. Our Club is using a District Grant to fund the North Eugene High School (NEHS) Global Issues Conference (GIC). The GIC is a condensed

Model United Nations event that involves the participation of the entire NEHS sophomore class. The event will be held on March 7 in the ERB Memorial Union on the University of Oregon campus. We need up to three volunteers to come at 8:00 am to help set up tables for the conference (packets and flags) for the event. This shift will last approximately one hour so you can get in some volunteer time and still get in to work if need be! We will also need up to four volunteers to assist during the conference by helping to manage paperwork and validating treaties. We are looking to have two shifts for these volunteers: one shift of two people from approximately 9 am until 11:30 and two new volunteers from 11 am until 1 pm. Please volunteer to help these students as they give speeches and negotiate solutions to the real problems affecting our world.

We're using SignUp to organize our community service activities, and have had positive feedback from earlier events. You just need to click on the link below, enter your email address (You will NOT need to register an account on SignUp), and then sign-up for your spot(s). You will get an automated confirmation and reminders. Easy! Note: SignUp does not share your email address with anyone. If you prefer not to use your email address, please contact me and I can sign you up manually.

You can volunteer by signing up at this link: <https://signup.com/go/bkMoaOT>

If you have questions or difficulties signing up, or want me to sign you up manually, please email Jerry Whitman Harris at gwharris@comcast.net

The Legacy of Past President and Past District Governor Dick Olson

By Richard K Olson

On behalf of the Olson Family, we are saddened to announce the passing of our longtime Rotary Club of Eugene member, Past President, and District 5110 Past District Governor Richard (Dick) F. Olson. He was 94 years of age and was called home to Heaven on Thursday February 16, 2023, surrounded by his loving family. He was blessed with a long and wonderful life of friendships, family, and great memories.

For those that knew him, Rotary and its value of friendships, connections and service to others was a very important part of his life. Ideals that he instilled in his family and to those that he

met throughout his life. His commitment to his profession, philanthropic and community organizations was his fulfillment to give "part of your time" to help build a stronger community where you live.

Dick joined our club in 1960 and continued to be actively involved until his passing. He is the honorary chair of our club's 100th Celebration Gala to be held in March. He provided a wealth of knowledge about our Rotary history. Dick was a strong supporter of our many community projects and helped initiate the new member firesides and vocational gatherings. He would always ask when meeting people about their passions and desires, making everyone feel welcome.

Dick supported the valuable work of Rotary through The Rotary Foundation, where he is a Paul Harris, Major Donor, and Benefactor. His Rotary family carried on his legacy with his son Rick, our club Past President and Past District Governor, his daughter Becky Robertson, a charter member of the U of O Rotaract Club as well as her husband Scott, a Past President of the Tualatin Club and a son in law, Neil who was a Rotary Foundation Scholar from District 1180 of Rotary International Great Britain & Ireland. Daughter Julie Olson is an active and past board member of the Rotary Club of Portland, granddaughter, Jennifer Olson is in our club, and grandson, Mike Olson was a RYLA Graduate. Great-grandsons Nate and Ben attend our Food for Lane County outings. His father-in-law Hugh Ford was also a member of our club, starting in the 1940's.

Sally, his wife of almost 71 years, will be surrounded by family as we remember his life. His wishes were for a small family gathering, one that would be filled with love, joy and sharing of family memories. In addition to Sally, he is survived by his 6 children and their spouses, 23 grandchildren and 17 great grandchildren.

A tribute will be conducted at the 100th Club Anniversary Gala on March 15. Secure tickets right away.

2023-2024 District Grants

We are beginning to turn our attention to spring submission of applications for 2023-24 District Grants, and the Community Service Committee is encouraging you to start putting your ideas to paper! While we will not receive the specific instructions for 2023-24, until after their Executive Committee meeting in March, we want to share what we know including our anticipated deadlines for review. As a reminder, these are matching grants where our Club submits one (or maybe two) applications to the District as an opportunity to bring some of our local money back to serve our community.

For 2022-23 grants, club funds were matched with district funds at 1:1.5 We do not yet have the amounts from the district for 2023-24, they will give us a maximum District funding level and the match level later in March. Our final, prioritized application(s) will need to be submitted prior to June 1, so in order to allow time for getting any needed clarification or make edits, **the Community Service Committee will need to receive written applications by April 15, 2023** so we can review and prioritize applications at our April meeting. Applications should include a brief description of the following: Project Description (brief); Project Definition (greater detail); Rotarian Involvement (how members are involved); Budget (income and expenses); Contact person.

If you or your committee are working on a concept you plan to submit, it would be great to know for planning purposes. Please reach out to Karen Gaffney, Community Service Chair, with any questions and your proposal at karengaffney@comcast.net.
