TODAY'S PROGRAM

First up, Jac Campbell, a junior at HHS, described the process that led to his being selected as a Rotary outbound student to Indonesia, where he will spend a year in Surabaya, a port city in East Java. He is actively learning the local language and will attend a local high school. He will miss his senior year at HHS, but will have an exciting and unforgettable year visiting famous sites like Borobudur Temple and Komodo Island, home of the Komodo dragons.

Next, Lara Viganó, a Rotary exchange student from Brazil, described her memorable year in Healdsburg hosted by **Nita Parker** and others. Lara hails from Araras City, in the State of Sao Paulo, where her father was active in Rotary, which greatly influenced her. While here, she had the opportunity to visit Lake Tahoe (first time in snow), San Francisco, and even Hawaii (with Rotary students from around the US). She also participated in the HHS internship program.
