## April 2 2025

By Tom Lincoln

### Call to Order

President-Elect Faith called the meeting to order at 12:10 p.m.

### Pledge

Dave Herrick led the salute to our flag.

### Moments and Thoughts

Pastor Greg asked us to keep President Pam in our thoughts and prayers as she continues her treatments in Napa. He also recognized Rotary's founder, Paul Harris, who would be 157 years old today.

### President Pam

Pam joined us by cell phone and updated us on her situation as well as her appearance at the Lakeport City Council meeting where she briefed council members on our upcoming centennial celebration in May as well as the time capsule that will be interred soon, to be opened 25 years from now. I plan on attending the opening.

### Guests

I bumbled my introduction of Janice Hornby, much to Faith's chagrin.

### Announcements

Easter Egg Hunt (the 99th consecutive) will be held on Easter Sunday. Egg dying will be at Clear Lake Redimix the Friday prior. Greg and Carlos are the straw bosses for the event.

Faith is planning to enter a Lakeport Rotary float in this May's Memorial Day Parade on Lakeport's Main Street. Ideas for float decorations are welcomed.

### Detective

Beth paid for hubby Jeff's nap at the Kelseyville observatory last week.

Happy bucks were contributed by:

Laura: Hubby Dave had successful surgery to relieve an impinged nerve.

April: Happy that she and Debra are making a presentation next week at the Kelseyville aviation program.

Lawyer John: very happy that President Pam is doing well in her treatment regimen.

Kelly: Happy for daughter's wonderful wedding shower last weekend at Lake Event Design.

## Program

Dennis introduced former Lakeport Police Chief (now district 4 county supervisor) Brad Rasmussen who briefed us on various subjects relative to his first three months as county supervisor. Lots of concerns over potential funding cuts arising from DOGE activities. Social services and behavioral health initiatives are of particular concern. He is also concerned about the possible decrease in Medicaid funding that would have a significant impact on local hospitals. There have already been cuts in funding to local food banks.

Trying to be proactive, the supervisors approved contracting for lobbying assistance in both Washington and Sacramento. There are some encouraging projects moving forward on algae mitigation on the lake.

## Finley

April won the big bucks and Lawyer John won all the quarters at my table.
