Done in a Day - Rotary Club of Eureka Blood Drive!

WEDNESDAY, MARCH 22, 2023 AT 8 AM – 7 PM

Northern California Community Blood Bank
2524 Harrison Avenue, Eureka, CA 95501

The Rotary Club of Eureka is teaming up with the Northern California Community Blood Bank to save lives!

The stormy weather and snowfall has impacted the Blood Bank's ability to hold bloodmobile drives, and reduced blood collections. The local blood supply is critically low.

Donors are invited to come out, donate blood, and celebrate Rotarians making a difference in our community! Every donor will be entered in a raffle to win a \$50 Starbucks gift card!
