## ANNOUNCEMENTS

President Bill announced that the club board of directors has voted to a slight increase in our annual dues which will be \$225 for the Rotary year 2022-23.

4<sup>th</sup> of July signup sheets were on the tables for work shifts during that busy day of preparing and selling over 1,000 sack lunches. Everyone who is able needs to help.

Correction to last week's bulletin: Pickleball: The three areas being considered are: Creekside, which Walnut Creek does not like; Buckeye, which is very controversial; and now adjacent to the Event Center, where the planned solar panels could be used.

## PROGRAM

Speaker was Liz Whitlock M. D. She is on staff and teaches at UCSF. She spoke to us about the effects of anesthesia on older people. She was very interesting. Generally, there is some cognitive decline post general anesthesia. It can be of short duration or permanent. Sometimes whatever it was that needed to be taken care of was causing so much distress to the body that the long-range outcome is actually an improvement in cognition. We were fully engaged for 40 minutes, thus the no Thought of the Day or Sunshine Report.
