March 2023 – Water and Sanitation

Welcome to March my Rotary Family and Friends! Our weather lately is very fitting for our theme this month, Water and Sanitation. Since we have seen so much rain, and even snow in some areas, I have to say I feel right at home based on my east coast roots. I am still not wearing parkas and boots, which I'm sure many of you are (yes, I see you). I reserve that for when the snow gets to a few inches/feet.

Speaking of water, Mike Andritch and his grandson, and 14 of us (mostly from Visalia County Center Rotary) are back from our trips to Thailand where we experienced water projects there. Although these projects we participated in were not funded by our grant, it was a great opportunity to see the process, meet the people and know how much impact our Global Grant will have. And guess what?? Our Global Grant for \$330K was just approved by the Rotary Foundation last week, so we are full steam ahead! Thank you so much to Mike Andritch (Fig Garden Rotary), our Grants team, all of the Clubs, Districts and you our members that participated. We could not have done this without you. The people we met in these villages are so grateful and full of joy. I cannot express to you how important this project is, and will be, for the future of these villages.

When I was in my Monroeville Rotary Club, outside of Pittsburgh, and I was Club President 2012-13, we completed a Global Grant for a borehole well in Wambasa, Kenya. While the scale was much smaller (one village, 65K), we still saw the long term effects of such a project in their community. Since they stuck water, they have been able to have their children attend school (instead of gathering water all day), build a library, increase their commerce through crops and livestock, and bring a whole new outlook to a group of people that were really struggling. Our efforts together through Rotary can have an incredible, sustainable impact on our brothers and sisters throughout the world.

This month also has International Women's Day on March 8th. Please see the article included in this newsletter about how you can become involved with RI's celebration and appreciate how far we have come in Rotary. We talk about all the possibilities Rotary offers us both personally and professionally, and I have to say I am an example of that. Rotary has offered me so many opportunities to grow and become a better person. I am forever grateful for the ability to connect with all of you through our common interest of making this world a better place. Thank you.

Two notable things we have committed to as a District 5230, are the Operation Pollination Resolution and Fight Human Trafficking Pledge. These are Rotary Action Groups that focus on a particular cause, and based on our commitment to these areas, our District Board of Directors has committed to participate in promoting these areas of need. If you are interested in having someone speak at your club regarding Operation Pollination, please contact Chris Stein at chris.stein@nps.gov. If you are interested in having someone speak at your club regarding Fight Human Trafficking, please contact your fellow District 5230 Rotary members and Advocates Debra Rush at debra@btfresno.org or Tiffany Apodaca at tiffany@btfresno.org. They serve much more than just Fresno, and can help with other connections as well. All are excellent presenters and will bring enlightenment to your clubs regarding these important issues.

I would also like to welcome our new clubs: Tower District Rotary (Fresno), Hartnell Rotaract (Soledad) and Fresno Airport District Rotary. They are hitting the ground running, and you will surely meet them soon. As we have more information about their Charter Events, we will share them and encourage you to attend and welcome them to District 5230. Coming soon is the Monterey Passport Rotary Club and the Visalia County Center Impact Club. We are so excited to be growing Rotary in District 5230 and thank all of you for your support and encouragement.

In closing, I just want to invite you personally to our District 5230 Celebration on April, 22nd at the Fresno Chaffee Zoo. Each of you received an invitation for you, and your family to join us at this special event to celebrate our members and everything our Clubs and District has done to help our communities locally and internationally. I hope you will join us for fellowship, celebration and that special gift we all have in common, Rotary. Thank you.

Yours in Rotary Service,

Becky Moser, DG

Water and Sanitation

LIFE AMONG the RUBBLE!

The devastating 7.8, 7.6 and 8.1 magnitude earthquakes on February 6 struck Southern and Central Turkey and Northern and Western Syria and directly affected over 25 million people (11 cities) in Turkey and Syria. It is reported that more than 51,000 people died—at least 44,374 in Turkey and 6,760 in Syria as of this week. It is estimated that the death toll will be as high as 150,000. Millions of people have been left homeless and thousands are still without basic needs such as shelter, food, water, sanitation, hospitals in bitterly cold winter weather. Turkey hit by 2 more powerful earthquakes 2 weeks after the disaster.

The Rotary world responded to this catastrophe immediately. **RI President Jennifer Jones** activated our disaster response efforts, communicated with the affected districts, and encouraged governors in those regions to apply for disaster response grants and share information about their relief efforts so that Rotary can amplify the calls for support.

The Rotary Foundation Trustees decided that all donations made, from now **until 31 March**, to the Turkey/Syria Disaster Response Fund will be used to aid earthquake relief projects through [disaster response grants](#).

The three districts D2420, D2430, D2440 in Turkey, along with D2452 for Syria, will have access to these funds through disaster response grants. TRF will continue to collect funds until 31 March 2023, specifically for Turkey/Syria disaster relief.

This disaster response grant will be used for immediate respond, short-term assistance and long-term rebuilding.

Newly established ICC USA-Turkey meets weekly to talk about the sustainable projects since the expected recovery will takes years.

Dear Rotary Family, this is how you can help:
 You can go to <https://my.rotary.org/en/donate> and chose Turkey/Syria Disaster Response Fund to donate until March 31, 2023.
 You can also donate directly to the Rotary District 2430 in Turkey directly.

For those who want to help th Disaster Relief here,
 You can either transfer your DDFs , donate to District accounts (by wire or credit card) or give to the Rotary Foundation’s Disaster Response Fund.

<p>DDF Transfer Link</p> <p>https://rotary.qualtrics.com/jfe/form/SV_9ztdKm18KEamNmt?Q_JFE=qdg</p> <p>Ilge Karancak RC of Monterey Cannery Row DS230 ICC USA-Turkey Representative Cell: 831-277-2558 E-mail: ilge@medialocate.com</p>	<p>USD Account Number</p> <p>Bank Name : AKBANK Bank Account Name: ROTARY 2430.BÖLGE FEDERASYONU Branch Code :0631 Branch Name : GİMAT/ANKARA Branch Address: Bağdat Cad. ROTARY RESPONDS TO EARTHQUAKE THAT HAS DEVASTATED AREAS OF TURKEY & SYRIA

Turkey and Syria were struck by a devastating earthquake on 6 February that has killed tens of thousands of people, destroyed thousands of homes and other structures, and left people across the region without shelter in bitterly cold winter weather. While still providing aid to those impacted by the first earthquake, another 6.4 magnitude earthquake occurred in the same area on 20 February, bringing even more devastation.

The Rotary world responded to this catastrophe immediately. RI President Jennifer Jones activated our disaster response efforts, communicated with the affected districts, and encouraged governors in those regions to apply for disaster response grants and share information about their relief efforts so that Rotary can amplify the calls for support.

The Rotary Foundation Trustees decided that all donations made, from now until 31 March, to the Turkey/Syria Disaster Response Fund will be used to aid earthquake relief projects. In addition, the Trustees made available more than \$125,000 to Rotary districts affected by the earthquake through Disaster Response Grants.

Rotary's project partner ShelterBox also has an emergency response team assessing the needs in the region and how it can respond. That team is communicating with Rotary district leaders. Rotary's service partner Habitat for Humanity International is also working on its response. Many Rotary members are asking how they can help. Here's how to have the greatest impact:

- [Give to Turkey/Syria Disaster Response Fund](#). Donations help clubs and districts provide aid and support rebuilding efforts where the need is greatest. The funds are distributed to affected communities through disaster response grants. The Disaster Response Fund can accept cash contributions and District Designated Funds (DDF).
- [Support local initiatives](#). As we learn about local response efforts that are being led by clubs and districts, Rotary raises awareness about how to support them. People can then support these projects by working directly with Rotary members in the region. If you want us to publicize information about local response efforts, write to relief@rotary.org.

March 2023

Water and Sanitation

Exactly 1 year ago this month a total of 287,000 frontline Polio workers were deployed across Pakistan for door-to-door vaccinations. Resulting in more than 40 million children under the age of 5 receiving vaccination during this nation wide anti-Polio campaign. Because of this massive vaccination effort, it is predicted that Pakistan will be Polio free by the end of 2023. That would be buy the end of THIS year.. Can you "IMAGINE" that?

This is great news for our World House as the cases from Malai, Mozambique, and the one Polio Case/cases in New York, originated and were traced back To Pakistan...and these areas will also follow suite right behind Pakistan So the slogan "Polio is only a Plane Ride away" hold Uber true.

I am hopeful that the End of Polio is near, and I am so proud of all of the hard work and commitment of Rotary and Rotarians around the world.

My commitment to "The Making Of History" and Ending Polio Is stronger than ever... Just also "IMAGING". Ending Polio also will mean the end of Post Polio Syndrome... a bargain we can't pass up , An incredible "2 for 1 deal"

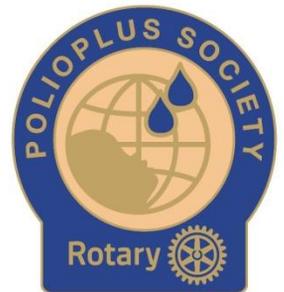

It it just me ? Or is time flying by? Soon we will be starting another new Rotary year...However, we still have a few moths left in this year and we need to make it count.

There is great news coming from the Polio front. 26 weeks without a new case of Wild Polio World Wide. AND it has been well over a year since both Afghanistan and Pakistan have recorded any circulating vaccine derived polio. Probably because of the new vaccine being used that is non virus derived. I really do feel that this just might be our year and I am cautiously preparing for the Polio Kick-Out Party !!!

In the mean time, the work of Polio Eradication continues and I have a couple of fun and rewarding little but so important campaigns that all of you "My Polio Warriors" can participate

#1 - Polio Plus Society Membership.

I'm happy to announce that the Polio Plus Society Membership has refreshed the program and now there are 3 levels you can chose as participation. 1 @ \$100.00 per year, 1 at \$250.00 par year and 1 at a \$500.00 per year level. Each exclusive pin will be reflective of your commitment level with diamond, sapphire, and ruby stones, Similar to the Paul Harris Pins, plus you will receive PH points for your contribution. There is also a new 100% Polio Plus Society Banner that can be had by any Club that achieves 100 % Polio Plus Membership of their members.. There will be a special recognition for all clubs the achieve 100% Paul Harris AND 100% Polio Plus Society Membership. I would love to see this for all of the clubs in our district.

#2 Pennies For Polio

Yup , It's that time again. Every Year at this time, we encourage all to participate in holding penny drives, Bowling for pennies, putting for Pennies or whatever creative and FUN things you can think of to collect as many pennies as possible! Now, mind you, my definition of "Pennies" is any form of \$\$\$\$ and checks. The bigger the better. The official start date is April 1 - June 30, But you can start asap. . Hoping all our clubs participate in this fun experience.... There will be 1st, 2nd, 3rd place awards as the top 3 club generating the most "Pennies" will each receive 1000 PH points to award to a special member of their club,

So our District has ranked # 5 in the Zone for Polio contributions consistently.. Let's move up to # 4, Or # 3 all the while "Keeping Polio on the Run" and have fun doing so.

Celebrating International Women's Day

International Women's Day is 8 March, a time to honor the achievements of women around the world and raise awareness of the work that's still needed to achieve equity.

Join Rotary in celebrating International Women's Day 2023! Our virtual, multi-day observance seeks to raise awareness about the barriers that women around the world face as professional and local leaders and to build a supportive community to take collective action for change. The events, presented in English, are open to Rotary members and nonmembers of all genders.

The first event, on 8 March, is a Facebook Live session with Rotary President Jennifer Jones, Vice President Nicki Scott, and guests. [Find out more about this free, informative virtual event.](#) Use #IWD2023 to find other events or post information about your own!

Join Rotary International March 8-13 to take part in our virtual, multi-day observance that seeks to raise awareness about the barriers that women around the world face as professional and local leaders and to build a supportive community to take collective action for change. Your registration includes:

March 8, 10:00AM CST: Facebook Live Conversation with Rotary International President Jennifer Jones, VP Nicki Scott, and special guests—stay tuned! Follow [Rotary on Facebook](#) to take part in this event. We will also celebrate the recipient of the 2023 Sylvia Whitlock Leadership Award, which honors an inspiring Rotarian whose contributions actively work to advance women in Rotary.

March 9: Embracing Equity at Work and Beyond: A Panel Conversation
This 60-minute panel conversation will be offered twice - you choose the time that works best for your schedule. The panel will discuss the State of Women Leaders and consider what we can gain by embracing equity.

March 13: Connect and Reflect: A Networking Opportunity
During these 45-minute small group discussions, you can connect with other attendees, broaden your networks, and begin to develop an action plan for embracing equity at work and beyond. This session will be offered three times so you can choose the time that works best for you.

ROTARY PEACE FELLOWSHIP

Identify Rotary Peace Fellowship Candidates

Applications are now open for the 2024 [Rotary Peace Fellowship!](#) Help us promote it and find the next cohort of global peacebuilders.

If you know any peace and development leaders in your community, encourage them to [apply](#) for a fully funded master's degree or professional development certificate at one of our Rotary Peace Centers around the world. You can also use the [referral form](#) to tell us about potential candidates.

Since 2002, more than 1,600 peace fellows have trained at Rotary Peace Centers and are working in peacebuilding, conflict prevention, and development roles in more than 140 countries. Follow the [Rotary Peace Centers Facebook page](#) to learn more or write to rotarypeacecenters@rotary.org.

For more information, questions or if you have a referral, please contact Nina Clancy, District 5230 Peace Fellows Chair at ninaclancy@sbcglobal.net

CELEBRATING OUR DISTRICT WIDE BLOOD DRIVE RAFFLE WINNERS!

Thank you to the 137 Rotarians, family members and friends that participated in our District 5230 Blood Drive. Everyone that helped plan, encouraged participation and donated themselves has a heart of service to save lives. Every pint you donate saves three lives, and it's so easy to do.

Congratulations to our highest donating Clubs – Visalia County Center, Carmel Valley and Fresno. Since these clubs had the most donors, we crashed their club meetings! This gave us a chance to celebrate together throughout the District, inviting all the winners to share a meal, and bring fellowship around our successes.

Please continue to donate! We are hearing from the Blood Centers in our areas that levels are very low, and the need is very high due to winter illnesses. Let's continue to show our communities we care and Rotary is here to serve. If you're healthy and able, please donate again, you can do it every 2 months!

March 2023

Water and Sanitation

Dear Friends,

My apologies.....it has been quite a while since I sent out an update on our Thailand Project. I was overjoyed to spend nearly 3 weeks in Thailand last month and that included 5 days in a village seeing firsthand the construction of a system. Also, a group of Rotarians from Visalia traveled to Thailand earlier this month and they too spent time in a village.

FUNDRAISING

Twenty Clubs here in Rotary District 5230 along with Clubs in Canada, India, Germany and Southern CA have contributed a combined total of nearly \$162,000 plus matches from 6 Districts totalling an additional \$100,000 !! I continue to be humbled by the generosity of Rotarians everywhere. Donations have ranged from \$500 to \$22,000. Every Club works hard to raise funds for this and other worthwhile causes and while some Clubs have more resources than others, every single dollar contributed is helping to save lives and I thank every Club, no matter the size of the gift...and they are all gifts.

As I have mentioned, a complete water & sanitation system costs \$15,000 per village and I promised that if a Club contributes \$15,000, that club's name will be displayed on the system. The Following Clubs will have their name on a village system:

- Fig Garden Rotary (Fresno)
- Visalia County Center Rotary
- East Fresno Rotary
- Visalia Breakfast Rotary
- North Fresno Rotary
- Rotary Club of Fresno

The grant has been
approved!!!

GRANT APPROVAL STATUS (matching \$\$ will bring total to \$330,000)

The application for this Global Grant (GG-2233068) was completed, locked down and submitted to the Rotary International Foundation in late October. Approximately three weeks later, we received numerous detailed and technical questions from the Foundation. Members of our host Club and partner, the Chiang Mai International Rotary Club (CMIRC) and ITDF Director Mike Mann spent many long hours crafting a detailed response to the questions. The response was sent to the Foundation in December. We learned that due to the large size of this grant, it must go through three levels of approval. The latest news is that it appears to be clearing level two and level three approval should go fast. So.....our fingers are crossed that final approval will come in early March. Hopefully, the ITDF will receive our funding (under the watchful eye of the CMIRC) soon enough to get started on a village(s) before the rainy season begins. While the approval process has seemed arduous at times, it is proof once again that the Rotary Foundation takes the stewardship of all donated dollars very seriously...which is one reason why we all contribute to the Foundation.

GRATITUDE

The idea for this project came to me when I learned from Eric & Darlene Hanson about their long-term commitment to these non-citizen refugee people living in jungle villages without safe water or sanitation with a terrible infant mortality rate. The Hanson's work, alongside Mike Mann and the Integrated Tribal Development Foundation, with the support of the Fresno area community and the Lanna Foundation, jumped out at me as a perfect project for Rotary. It covers all seven of the focus areas of the Rotary Foundation. When my Club said they would be supportive if I pursued a global grant, the first people I called were PDG Nina Clancy and PDG Don Kremer. They embraced the project and immediately jumped in to help raise awareness and donations. Then I met Mike Mann and he hooked me up with my new best friends at CMIRC and the rest just came together like it was meant to be. What I am saying is, when this project is finally approved, it will happen because of a large, strong, dedicated and supportive team both here in the US and in Thailand. Our District 5230 DG line and our District Grants Chair were on-board immediately and I am so proud to be a part of this team. Now, let's get it approved and start building systems.

Sincerely,
MIKE

PS: Since returning from Thailand, I have shared my experience with two Clubs and I am booked at two more. If you would like me to come to your Club, let me know.

2022-23 ROTARY DISTRICT 5230 ANNUAL BUSINESS MEETING ANNOUNCEMENT AND ELECTOR INFORMATION

ANNUAL BUSINESS MEETING ANNOUNCEMENT -

The 2022-23 Rotary District 5230 Annual Business Meeting will be held in Fresno, California on Saturday, April 22, 2023 in conjunction with the District Conference (*The District Celebration*). All Rotarians who are members of clubs in District 5230 are welcome.

ELECTOR INFORMATION –

Why is this important? Every active member in good standing of a club in the District who is present at the Annual Business Meeting shall be entitled to vote on all matters submitted to a vote during the meeting.

Exception: Any Elector shall have the right to demand a poll upon any matter presented for a vote in which event the voting shall be restricted to electors.

How many electors can a club have? Each club in the District shall select and send to the Annual Business Meeting one Elector for every twenty-five (25), or major fraction thereof, of its members identified in the RI Database as of 31-March-2023. (See the calculation table). Each Elector shall be an active member of the Club. Honorary members are not eligible. Electors will self-identify by signing the Elector Certification Log upon arriving at the venue or upon entering the Annual Business Meeting room.

Are proxy votes allowed? No! Each elector has one vote and must be present.

Elector Calculation Table

Members	Electors Authorized
1-38	1
39-63	2
64-88	3
89-113	4

Rotary Club of Polokwane D9400

South Africa

Unique African Safari

Safaris are scheduled for May and August 2023
or a date of your choice.

If you're looking for a getaway that is iconic and truly memorable, come with us on an unforgettable journey and experience ... our **Unique Rotary African Safari**.

The 9-day Safari includes stays at Letaba Camp and the luxurious five-star Kings Camp in the famous Greater Kruger National Park, the domain of **Africa's Big Five - Lion, Elephant, Leopard, Rhino, and Buffalo**. Abundant plains game and birdlife abound.

A day on safari is a unique experience. Watch the sunrise whilst on a morning game drive, cameras clicking away to capture a lion roaring, or marvel at the beauty of a lilac-breasted roller. Spend your day relaxing in camp before the late afternoon game drive. Sunset, moonrise, discovering night wildlife in the African bush is a mix of awe and wonder!

It is our intention for the safaris to be unique and special for our guests. The 9-day safari is limited to only **SIX GUESTS** at the incredible price of only **US\$4590*** per person sharing (all-inclusive). Non-Rotarians are welcome. Polokwane Rotarians with guiding experience and a passion for wildlife will accompany the entire safari, providing that all-important personal service and seeing to your every need. Profits generated will be for worthy Rotary Community Service Projects. *Excludes international and domestic flights.

Comments by a previous safari participant:

"I'm still on Cloud 9! I can't thank you enough for the trip of a lifetime. I was very excited about the trip as visiting Africa has been a dream of mine for many, many years; however, I had no idea it would be like that. I assumed we'd be looking at animals thru binocs from quite a distance. To be surrounded by a pride of lions is something I will never, never forget! I realize that it's an experience very few people are privileged to have had." Sandi Hulstrom USA.

You're invited to Imagine What's Next...

Registration is now open for the 2023 Rotary International Convention in Melbourne, Australia.

Whether you're new to Rotary or a longtime member, the convention will be an unforgettable experience.

Register today at: <https://convention.rotary.org/en/melbourne>

Golf at the Melbourne Convention

My dear Rotary friends,

The Rotary International convention is coming to Melbourne next May, and the citizens of this great city are really looking forward to welcoming you.

One of the things for which Melbourne is renowned is the Sand Belt of eight world-class golf courses, and one of them is Victoria Golf Club, site of the Australian Open in November 2022. Because many Rotarians would enjoy the opportunity to play on such a course, we have arranged for a Rotary day at Victoria G C on Friday 26th May 2023 (the convention starts on Sunday 28th May).

<https://www.victoriagolf.com.au/cms/>

The net proceeds of this day will be contributed to the Polio Eradication campaign, which you know is Rotary's highest humanitarian priority. There will be no PHF credits or other TRF recognition attached to this event, but players will have the satisfaction of knowing that they have helped eradicate polio while having a fun day of golf.

There is a morning group and an afternoon group, and transportation will be arranged from and to the *Melbourne Convention and Exhibition Centre*. Light Refreshments plus drinks will be provided for each group.

Ride on carts are very limited in number and can only be made available to those with a genuine medical certificate. Push/pull buggies are provided. Clubs are available for hire if required. If you require either a cart or clubs, please contact Victoria Golf Club directly at golfshop@victoriagolf.com.au before you register.

The cost for participants is AUD\$550, which represents excellent value for this rare opportunity. Numbers are limited, so don't delay.

Use the accompanying QR code to book via the *Host Organising Committee* website. I'm looking forward to seeing you in Melbourne.

Book Here

<https://rotarymelbourne2023.org/events>

Ian Riseley

Chair of Trustees for The Rotary Foundation.

Here are seven reasons you'll want to attend the 2023 Rotary International Convention in Melbourne.

1. You'll (re)connect with the Rotary family.

The last [Rotary International Convention](#), in Houston, was proof there's nothing like connecting face to face. But for many Rotary members in the Asia-Pacific region, where COVID-19 restrictions complicated travel plans, Melbourne will be their first in-person convention in four years. With five districts (representing more than 250 Rotary and Rotaract clubs) across the state of Victoria hosting the event, it's sure to be a big reunion.

2. You'll explore the world — all in one place.

The convention is the best way to appreciate Rotary's global scale and reach, says Rebecca Fry, founding chair of RYLA ([Rotary Youth Leadership Awards](#)) Oceania and charter president of the Rotary Club of Social Impact Network, New South Wales. "The House of Friendship is a true festival of Rotary, showcasing our organization's fellowships, action groups, and community projects from around the world."

3. You'll discover cities within a city.

The coastal metropolis is known as the Australian capital of culture, food, sports, architecture, and theater. It's also a shopping mecca. Mary Barry, chair of the [Host Organization Committee](#), proudly notes Melbourne's regular recognition as one of the world's most livable cities. It is a family friendly place where visitors will feel instantly welcomed and at ease. "The city looks after its tourists with excellent public transport to unique attractions," says Roslyn Teirney, an assistant Rotary public image coordinator for Zone 8 and a member of the Rotary Club of North Hobart, Tasmania.

4. You'll be inspired.

Rotary conventions are all about an exchange of ideas. And each year's gathering brings you big name speakers to inspire, connect, and spur solutions to the world's toughest challenges. Just look at the list of some past speakers: Bill Gates, Justin Trudeau, Mikhail Gorbachev, and Princess Anne of the United Kingdom. "While still early to announce 2023 program highlights, be assured only outstanding international speakers will take part," says HOC Chair Barry.

5. You'll get your kangaroo fix.

Experience quintessential Australia with a visit to the Melbourne Zoo for a close-up and safe encounter with some of the world's most unusual, cute, and dangerous species — kangaroos, koalas, snakes, spiders, crocodiles, wombats, and platypuses. Just 13 miles northeast of Melbourne's central business district, the Gresswell Forest nature reserve provides spectacular sightings of eastern gray kangaroos, says Jennifer Scott, a past district governor and member of the Rotary Club of Central Blue Mountains. Need more cuteness? Head to Phillip Island, 75 miles southeast of Melbourne, and check out the largest colony of little penguins in the world.

6. You'll feel energized.

Looking for a place to hang out with all your new Rotary friends once the day is over? Melbourne has endless options. Laura Telford, chair of the Rotaract Australia multidistrict information organization and member of the Rotaract Club of Canberra, describes Melbourne as another of the famous cities that "never sleep." "Visitors will enjoy jumping on one of more than 475 trams that cover 250 kilometers [155 miles] of track to take you to every corner of this exciting city."

7. You'll want to see more of Australia.

While the distance can be a challenge in traveling to Melbourne, visitors may fly in to Sydney, Brisbane, Darwin, or Perth to make the most of a unique travel opportunity by seeing other parts of Australia. "The Great Barrier Reef, Uluru and the Red Centre, our tropical north, and the rugged coast of Western Australia all present memorable sightseeing experiences," Scott says.
