PP Mike Peterson introduced the student of the month from Coronado High School, Alyssa Saito. She may have been familiar to some as she was past winner of the RCGV's Dan Stover Music Contest.

Alyssa is part of Coronado High School's Advanced Placement Academy and has a weighted GPA of 5.4. Alyssa is currently taking five advanced placement classes and working a part-time job. She says she is able to manage her workload by utilizing a planner and catching up on the weekends. Her favorite thing about school is learning from her peers. Alyssa appreciates that she and her classmates can share and respect various opinions and ideas among themselves without judging each other for their perspectives.

Alyssa has enjoyed playing the violin since the second grade. As a seventh grader she won the Henderson Symphony Orchestra Young Artist Concerto competition by playing one of the movements from the Mendelssohn violin concerto. As an award, she was able to play all three movements of the concerto with the entire orchestra. Alyssa is now a member of the Coronado Orchestra, serves as president of the Maestro Musicians Association and is concertmaster of the Las Vegas Youth Orchestra. She appreciates playing and sharing music with others and has made lifelong connections with those who share her musical interests.

Alyssa believes her teachers would describe her as an introverted, hard worker. Here are some comments from Alyssa's current teachers. Mr. Isaac says, "Alyssa is a motivated and dedicated student who is a deserved candidate for the Bill and Melinda Gates Foundation scholarship." Miss Young says, "Alyssa is a very respectful person and is liked by her teachers and the other students. She's consistently prepared for class and completes her work authentically. She sets a high standard of what a student at Coronado is capable of and will represent our school well as she progresses to the next level of her matriculation."

Alyssa has been accepted to the University of Pennsylvania. She plans to study medicine. Coronado high school and RCGV wish Alyssa Saito well in all of her future endeavors.

SERVE TO CHANGE LIVES

Rotary International District 5300 hosts a Four-Way Test Speech Contest each year. This year the theme is Serve to Change Lives. Rotary Clubs throughout the District invite students from local high schools to compete.

Students share perspectives on the Four-Way Test. Each speech must be based on Herb Taylor's famous statement on business ethics.

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"

Understanding, appreciating, and expressing the true meaning of the Four-Way Test is the most important aspect of each speech. Many times, the students' thoughtful speeches unravel the complexities of Four-Way Tests in new and innovative ways

PP Jim Frey welcomed all participants and Michael Lamb, Speech and Debate coach at Green Valley High School. He shared that RCGV has participated in the contest for over 20 years.

Contestants:
Gabriel Garcia (winner)
Ami Lou
Brandon Anderson
Tanner Langeveld

GVHS coach: Michael Lamb

Judges:
Ben Bergren
Larry Flashberg
Bill Bokelmann

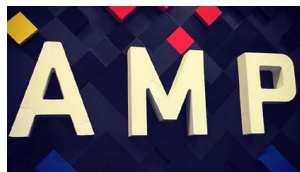

Timekeeper:

Winner advances to group level contest.

Rotary in Ukraine in better days

Rotary International statement on Ukraine conflict

It is a tragic and sad time for the people of Ukraine and the world.

At Rotary, we are deeply concerned by the deteriorating situation in Ukraine and the escalating loss of life and humanitarian hardship there. Continued military action against Ukraine will not only devastate the region, but also risk spreading tragic consequences across Europe and the world.

As one of the world's largest humanitarian organizations, we have made peace the cornerstone of our global mission. We join the international community in calling for an immediate cease fire, withdrawal of Russian forces, and a restoration of diplomatic efforts to resolve this conflict through dialogue.

In the past decade, Rotary clubs in Ukraine, Russia and nearby countries have transcended national differences and have actively engaged in peace-building projects to promote goodwill and to marshal assistance for the victims of war and violence. Today, our thoughts are with our fellow Rotary members and others in Ukraine coping with these tragic events. Rotary International will do everything in its power to bring aid, support and peace to the region.
