San Marino Rotary Rotoscope January 17, 2023

WE ARE BACK!

We may not be sufficiently tan after the recent heavy rains, but we should all be rested and ready for the second half of our Rotary year. Especially after the lovely Christmas Party hosted by Lis and Dennis Kneier at their home on December 16.

January 12. Things start off fast and furious with the January 12th meeting featuring two of our members who happen to be the top dogs in the City of San Mario. I'm talking about Mayor Steven Talt and Superintendent of Schools Linda de la Torre. They will be on hand to talk about the city and schools and answer the tough questions that fellow Rotarians are sure to lob them. Don't miss it.

January 19. We're going to hear from Dean Deridarian of Pasadena Community College, which happens to be one of the top community colleges in the nation. Dr. Armine Deridarian is the Dean of Career Technical Education (CTE) at PCC. She taught at USC Dental School for 7 years, and served as faculty at Oxnard College for 23 years, which included 7 years as the Dental Program Coordinator, later becoming the CTE Dean. Dr. Deridarian is developing programs that help prepare our students to be competitive in the workforce, both regionally and globally. Dr. Deridarian will discuss workforce trends and opportunities available to our students.

January 26 is TAT (Thursday Around Town), an off campus, evening meeting from 5-8pm which will be a business mixer coordinated by member Gilda Moshir. For this second annual business mixer, our club is collaborating with both the Altadena and South Pasadena Rotary Clubs. The event will be held at the Padillo Room at the San Gabriel Mission Playhouse in the City of San Gabriel.

Four members from the San Marino Rotary Club have stepped forward to speak - they are: 1) Dr. Joel Kim, Physical Therapist, 2) Russ Osmonson, Educational Consultant, 3) Ginny Hsiao, Family and Estate Law Attorney, and 4) Tony Chou, Oak Family Consultants. Our sponsors have each paid \$250 to get 10 minutes to speak to you and share about their businesses. We will also have a TEA BAR being presented by Fong & Jessica Sam from the University of the West. They will share their TEA CEREMONY with us. Other activities we have planned are a Business Scavenger Hunt, a photo op by our Imagine Rotary Theme Banner and, of course, heavy appetizers and wine.

For the members of our 3 clubs, **we do need your rsvp and your payment of \$25 to reserve your spot.** We would like to collect all

payments before the event. The deadline to reserve your spot is January 5, 2023. If you are with the San Marino Rotary Club and you are charged via credit card for your membership dues, we will bill your card on file. If you are in San Marino and you pay via check (we will ask you to send your check made payable to the San Marino Rotary Club) and send it to me so I can track your rsvp.

This event is a great opportunity for us to invite non-Rotarians and to showcase what we do as a community of Rotarians coming together to support our members. See you on 1/26!
