#### SPRING IS IN THE AIR ANNUAL PAUL HARRIS LUNCHEON MAR 13

Don't let the cloudy skies and possible rain fool you. Spring is in the air. Not only have we changed our clocks to Daylight Savings Time, but we will be meeting this Thursday—as we do every March—at the beautiful Huntington Library complex to honor community volunteers for their service. This year's honorees are Al and Sue Boegh. We will also hear from Rotary Global Grant Scholar Mark Liang who studied at Cambridge University and is now a medical student at UC Irvine. RSVP required. No cost for San Marino Rotary members. Event reception starts at 11:30 am.

#### MARCH 6 PROGRAM RECAP: ROTARY DAN STOVER MUSIC CONTEST

Club maestro Georg Eittinger once again put together an entertaining music contest for us. Five talented local high school musicians competed for prize money and a chance to advance to the regional competition. The winner, chosen by the judges, was Aidan Kwan, who performed Zigeunerweisen on the violin. Incidentally, he was also the "people's choice" which netted him an additional \$200 collected from the audience. Fourth place was pianist Narek Sargsyan, who is a 9<sup>th</sup> grader at San Marino High School. Thanks Georg, for another wonderful program.

Emile Bayle was recognized as a Major Donor to the Rotary International Foundation for reaching the giving level of \$10,000. If you want to join this illustrious group, please contact Foundation Chair John Jones. A painless method that many use to reach—and go beyond—the \$10,000 level is to have a small sum deducted automatically from your account each month.
