## A Message from the Governors

The Conference team had a chance to catch up with the Governors (not an easy task considering their busy schedule of club visits, club service projects, riding Rose Parade floats, email bombardment, family commitments, etc....).

Our question to them was simple. What would you like the Rotarians in our Districts to think about when it comes to the 2025 District Conference?

**Governor Driebe:** "Join us for an exciting joint district conference with District 5180, where you'll connect with fellow Rotarians, share ideas, and strengthen our Rotary community. This unique event will feature inspiring speakers, impactful workshops, and opportunities to collaborate on service projects. Don't miss the chance to exchange experiences and build lasting friendships with Rotarians from both districts at "The Happiest Place on Earth!"

**Governor Turner:** "I am so excited to be enjoying both the Magic of Rotary and the Magic of Disney at our 2025 Joint District Conference. It has been a real joy bringing District 5180 and 5300 together to share friendship and camaraderie this year with Governor Mike Driebe. Let's enjoy the new connections inside our districts and between our districts. I, and other Rotarians from District 5180, are looking forward to seeing you with our good friend Mickey."

Thank you Governors - we have some fun surprises planned for the two of you and the attendees!

## Conference At A Glance

Happy New Year! We are officially starting the count-down to the Joint District Conference 2025 at the Disneyland Hotel.

We are thrilled to be hosting a Joint District Conference with District 5180. The teams have been busy planning a weekend filled with engaging activities, special club awards, keynote speakers, Disney Leadership Institute segment, a hands-on project to help victims and survivors of human trafficking, and another chance to meet with the United Nations Advisor. We are honored to commemorate Rotarians that have passed away and recognize and thank our members and member spouses that have served in the Armed Forces. In addition to showcasing our Global and Peace Scholars, we will be hosting the 4-Way Speech Contest and Dan Stover Music Contest. Add to all that Hospitality Suites - imagine the magic they will create with two districts!

Each week we will highlight a key aspect of the conference while also providing tips and tools to help make registration and attendance magical.

## Sponsorships and Hospitality
