## 2025 Conference Hotel Update

The 2025 conference team is excited to share that the Disneyland Hotel has agreed to extend our discounted rate till March 28, 2025, at 6:00 pm.

This is super exciting news because our contract room block has completely sold out and this extension gives us access to rooms we would not otherwise have. Yay!!!

The hotel has advised us to take advantage of the additional days @ the discounted rate as soon as possible because these rooms are also open to the public at the current market rate. Translation, they are first-come-first-served.

Please note: When booking your room nights, if one of your nights is sold out, you will need to email [rotarylu@gmail.com](mailto:rotarylu@gmail.com) right away. This will allow us the ability to manually book your room nights and provide you with a reservation # for check-in. If you do have to go this route, please text me at 626-703-3041 to let me know that you need a manual reservation. This will alert me to check my email right away.

On behalf of the entire conference team, we look forward and are excited to celebrate you and your club for your service to humanity. You truly are the Magic of Rotary!

Hugs

Mama Lu and the entire 2025 Conference team
