## Rotary Youth Exchange: A Life-Changing Program

By Sue Archibald

The Rotary Youth Exchange program offers high school students in District 5500 the life-changing opportunity to study abroad through either a short-term or long-term exchange. Participants immerse themselves in a new culture, attend school, and live with host families—fostering international understanding, personal growth, and global friendships.

### Exchange Options

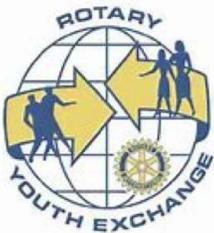

- Long-Term Exchange: A full academic year abroad, with students attending school and living with multiple host families.
- Short-Term Exchange: A summer exchange lasting a few weeks, typically as a family-to-family experience.

Students serve as ambassadors of their home countries while gaining valuable life skills and new perspectives. Thanks to the support of Rotary clubs, this transformative experience is accessible to a diverse range of students.

### A Hosting Experience to Remember

This year, DGND Leo Lawrenson and his family hosted exchange student Javier from Spain.

"Javier was a joy for our club and family to host," says Leo. "He was a model student, a great athlete, and a kind, caring young man. He brought a global perspective into our lives that was worth far more than the modest cost of hosting him. Having his parents and twin sister visit us from Spain for ten days and explore northern Arizona and the Tucson area together was an unforgettable bonus. Javier was our second exchange student—and my family and I are ready and eager to host again soon!"

## TRF Weekly Message: What Can a \$500 Gift to The Rotary Foundation Do?

A \$500 donation to The Rotary Foundation can help six disabled workers in the Philippines start a watch-repair business, provide safety equipment for a boat that brings health services to isolated locations in Peru, or help women in Mexico start five small sewing businesses and be more self-sufficient.

Can you commit to donating \$500 per year to the Foundation to make lasting change?

## One of District 5500's Best Kept Secrets

by PDG Ellie Patterson

Many of you have heard of the Rotary District 5500 Charitable Fund, and several clubs around the district participate in the Charitable Fund. But several years ago, PDG Joe Hentges called it one of our District's best-kept secrets. I still think it is.

There are several benefits in using the Charitable Fund. According to PDG Michael Drake, a Rotary Foundation expert, a major benefit is for clubs that don't want the expense and maintenance of a club foundation. Our district's Charitable Fund is a 501(c)(3) and is available to stand in. Since it doesn't raise funds of its own and is instead simply a pass-through, donations that benefit a club are paid into it, the donor gets a tax deduction, and the club directs the Fund Treasurer where to pay out the funds, usually to the club itself, or to a particular charity.

Rotarians are encouraged to check out the D5500 Operations Manual [here](#) to get all of the information on our Charitable Fund, a Tax-Exempt Arizona Non-Profit Corporation.

You will find the Bylaws and a handy Operational and MOU Guidance document that gives you lots of pertinent information. For questions you may have, please contact Michael Drake at [Michael@drakelawaz.com](mailto:Michael@drakelawaz.com), or longtime Fund Treasurer, Chad Denson at [chad@tucsoncpa.com](mailto:chad@tucsoncpa.com).

Let's not keep our D5500 Charitable Fund a secret any longer.
