## Guest Speaker - Andrea Dupre - Director of Business Development - HT Airport Commission

Andrea Dupre  
Houma Terrebonne Airport Commission  
Director of Business Development

I began my career with HTAC over 25 years ago as its secretary and grew up organically in and with the organization. In 2016, the HTAC implemented an education policy, which I took full advantage of, graduating from Nichols State University at the end of 2020 with a Bachelor's of Science in Business Administration & Computer Information Systems. In December 2023, I completed my Master's of Business Administration in Aviation through Embry-Riddle Aeronautical University with a specialization in Aviation Management. I am also a Part 107 Certified Drone Pilot as of earlier this month.

Outside of work, I am a mom to three children and a daughter-in-law, and have a beautiful one-year-old granddaughter. I enjoy spending time with my family every chance I get in between work and volunteering through organizations I belong to and even those I don't.

Program presentation: Houma Terrebonne Airport - Gateway to the Gulf and the Globe  
I will discuss a brief history of the airport, major projects and our look to the future with emerging aviation technologies.
