Guest Speaker - Mark Oswald - History of Drag Racing

Mark Oswald is the Crew Chief and First Mechanic for AB Motor Sports. Mark has been in drag racing his entire life. Starting in amateur status, he became professional in 1992.

Mark won many championships and was inducted into the Drag Racing Hall of Fame. Driving for Candies and Hughes, in 1984 Oswald did something no Funny Car driver had done before: he won the championship in 3 different sanctioning bodies in the same year.

After retiring from driving, he is now the crew chief for the Top Fuel Dragster Team and consistently wins the Ultimate Championship annually.

Darryl Christen - Rotarian of the Week

Darryl Christen joined our club in 1982 at the invitation of Emery Davis. Darryl is an attorney at Christen and Rhymes.

Darryl was born and raised in Illinois, but moved to Houma in 1981. He has two children, Kelly and Dylan, and three grandsons and one granddaughter.

Darryl's hobbies include aviation, travel, and spending time with his grandchildren.

Darryl realized that Rotary, both internationally and locally, is successful in its projects to improve living conditions, medical treatment, education, and understanding among all races and cultures. "The world is a better place through the projects of Rotary."
