## Guest Speaker - Kalie Gisclair

Kalie Gisclair, a compassionate and enthusiastic nurse of 13 years, has found that the most rewarding part of nursing is having the opportunity to help others in their most vulnerable moments. Kalie graduated from Nicholls State University in 2010 with a bachelor's degree in science of nursing.

Kalie began working at the critical access hospital, Lady of the Sea General Hospital, in her hometown of Cut Off, Louisiana, where she worked for 11 years as the charge nurse in the emergency department. She then transferred to Terrebonne General Health System in 2021 to fulfill the community nurse educator position. She strives to provide education to prevent injuries and fatalities in our area.

"As a mother who has bared the loss of a child and a spouse, I have found that using my own life struggles and losses helps me become more relatable to those in need. By helping others, this in turn fulfills me."

## Elmy Savoie - Rotarian of the Week

Elmy Watler Savoie joined our club at the invitation of Jerry Ledet and is the Executive Director for the Foundation for Terrebonne General Health System.

Her hobbies include traveling, volunteering, and collecting shoes.

Elmy has been married for 28 years to Jeff Savoie with two children: Sara, who graduates from LSU in May 2023, and Joseph, who is a junior at Vandebilt Catholic.

"I joined Rotary as a means to give back to our community while connecting with people who share my passion for helping others."
