Host Families Needed!

We have been assigned a lovely young lady from Peru as our Rotary Youth Exchange student! She will be 17 upon her arrival, describing herself as

quiet, until you get to know her. She likes art and helping people. Her parents describe her as helpful and respectful. We need to secure the first host family by the end of May. Each host family will host for three months. The first host family will get to choose which school she attends. Please reach out to your contacts to help us secure the first family!

Nominate our Rotarian of the Year

The Rotarian of the Year award recognizes a Rotarian who has made a significant impact in supporting and strengthening the Rotary Club of Green Bay. Nominations must be received by June 6, 2022. Any active member of the Rotary

Club of Green Bay is eligible to receive this award. [Please click here](#) to submit your Rotarian of the Year award nomination form.

Steve Handrick Receives Service Above Self Award

Our very own Steve Handrick received one of Rotary International's highest distinctions in service, the Service Above Self award. This award honors Rotary members – and now also Rotaractors – who help others by volunteering their time and talents. Only up to 150 recipients are selected each year. That's one award for every 9,000 Rotarians! Congratulations Steve!

Rotary Club of Green Bay Receives Certificate

Our club was one of six clubs in the District honored with an End Polio Now: Countdown to History Campaign Certificate of Appreciation. To achieve this, members of our club contributed at least \$1,500 or more to Rotary's polio eradication efforts.

Rotary does a world of good only because of generous contributions from Rotarians, in terms of time, talent and funds!
