Rotary

Club of Plymouth

Broadcaster February 24, 2023

By Arthur W. Gulick on Monday, February 27, 2023

Friday morning we participated in this year's "The Sun Never Sets on Rotary," a 24-hour long Zoom meeting featuring one-hour presentations from Rotary Clubs around the world. Since our club is in District 6400, home of 2022-23 **Rotary International President Jennifer Jones**, we were assigned the final one-hour segment, starting at 8:00 AM EST.

Media-savvy **Paul Sincock**, Past President of Plymouth Rotary and Past District Governor, presided over our meeting, ringing our big brass bell. President **Penny Joy** was away doing Florida hurricane recovery.

Our techmaster, **James Gietzen** managed Zoom for us, using the cameras and screen like we have done during the Covid pandemic.

We saw a music video from Rotary International that told us "Thanks to you we are Rotary, we are one." And we saw a video of both of our district's national anthems ("O Canada" and "The Star-Spangled Banner").

Chris Porman gave a Meditation Moment and we heard from **Russ Jones**, our District Governor Elect. Current District Governor **Traci Sincock** reminded us to attend the upcoming District Conference May 5-7, 2023. We were greeted via video by Rotarian **Monica Merritt**, Superintendent of Plymouth Canton Community Schools.

Paul Sincock presented a video about Plymouth, full of great aerial shots done by Rotarian **Doug Willett**, showing the town, the Fall Festival and the Chicken BBQ. **Kirk Kohn**, Plymouth Rotary Past President and past BBQ Chair, spoke about the history of the Chicken Barbeque.

On live video, we pulled in **RI President Jennifer**, who was conferring with folks all the way off in Barbados. Jennifer talked about DEI and about the UN's Sustainable Development Goals and about how close we are to success in our effort to eliminate polio from the earth.

Call to Order President **Penny Joy** called the meeting to order at precisely 12:05 pm and then led us in the Pledge of Allegiance.

Meditation

Chris Porman did the meditation and quoted Tom Izzo’s comments regarding the recent tragedy at Michigan State University. Izzo’s words in many respects reflect much of what Rotary encompasses:

“For 40 years, I’ve always believed that at Michigan State University, we are at our strongest when we are together. In athletics, the best teams are always greater than the sums of their individual parts. The same is true for our community.”

“We all have a platform. Some are small, some are high, but we all have a platform, and I hope each and everyone on you use your platform to help others so other families don’t have to go through what these families are going through now.”

“Our hearts are heavy. Our loss has been great. Our lives have been permanently changed. But with a shared commitment to help each other and a promise to remember those we have lost, we will learn to find joy again.”

The Pledge of Allegiance was recited by the group, and **Paul Sincok** delivered the meditation for the day which included a special message for the more than 20,000 people who have perished in the terrible earthquakes in Turkey and Syria. Lunch featured a special Polish feast in honor of our special guest speakers. **Norm Weast** recognized **your scribe's** 57th birthday and noted that his birthday is always the same year as the Super Bowl. Your Scribe was thoroughly embarrassed by Norm's kind gesture.

Special Program:

The club was honored to have on Zoom several guests from the Rotary Club of Poznan, Poland – **Wojciech Majchzcki and Kasia Rajewska**, who brought us up to speed on the tremendous work they are doing to provide modern medical equipment to the victims of the war in Ukraine. Working through a contact at the Grants Pass, Oregon Rotary Club, our member **June Kirchgatter** took the lead and was able to find the Poznan Poland Rotary who has been instrumental in getting aid into the war-torn country. The Plymouth Rotary Club, through our Foundation and other grants, has provided **\$27,510** to date for the Poznan Rotary's outstanding efforts. Not only is the Poznan Rotary providing the basics of food and clothing to the Ukrainian people, they are also using Rotary donations from around the world to purchase modern life saving equipment, identical to what modern EMS first responders use in the field, like video laryngoscopes, emergency medical backpacks, portable ultrasound, CPR equipment, portable ECG devices, trauma kits, and protective coverings. In addition, and perhaps most importantly, the Poznan Rotary and their allies have purchased and donated a brand new, modern ambulance for use in the Ukrainian conflict. Overall a wonderful and inspiring job that we will certainly be keeping an eye on in the future!

50/50

Wrapping things up, the 50/50 was won by **Tim Joy** and collected by **Penny Joy** (hmmmm) and **Chris Porman** won the Second Chance for \$60 – don't tell his wife!

Until we meet again –
