**RI Foundation Committee** – **Russ Jones** and **Nancy Baldwin** reported that the Club would match up to \$500 for any contribution to The Rotary Foundation. This Paul Harris contribution recognizes and acknowledges individuals who contribute or have made contributions in their name.

**World Community Service** – **Chuck Lang**

CJ presented a match challenge to help the Helene Hurricane victims. The World Service Committee has designated \$6,000 to go directly to Rotary Zone 33 covering the Carolina's and East Tennessee where assistance is desperately needed. If Rotarians are looking for a way to have 100% of their funds go to the relief effort, this is it!

Rotary Zone 33 has geared up to ensure the contributions are used in the most effective manner.

Our hope is to raise an additional \$6000 - \$10,000 from Rotarians to be sent along with the World Service Committee's \$6,000. CJ asked that all contributions be made by cash, check or Credit Card within the next 10 days.

Bring your contribution to the next meeting, mail it or go to our Foundation Website to use your credit card at:

<https://www.rotary.org/en/rotaryfoundation>

When you click on the above link, go to "General Plymouth Rotary Foundation Donations" and click "Then click "Give Now". Make your designation and type in the Note Box "Helene Funds". This will ensure your contribution goes to the disaster relief fund.

In the event you have difficulty navigating this site, you may use our club's Rotary Donation Fund.

Don Soenen introduced our speaker of the day. Her presentation was divided into two parts. The first was an introduction of Trish and her business, My Little Needle Tattoos. The second portion was an introduction to the Old Village Association.

**Trish Horstman**

Trish grew up in the Lansing area and graduated from Michigan State University. During college she pursued the art of tattooing under the mentorship of two seasoned tattoo artists. She moved to Plymouth in 2008 and opened her tattoo business. There she met her eventual husband Evan who operates a motorcycle shop. They have twin sons, Alexander and Felix. The tattoo business has grown exponentially employing many tattoo artists and attracting patrons from the region and beyond. The business has donated nearly \$100,000 in charity funds to local organizations through the annual Still No Asking event. Trish is active in civic affairs with the Old Village Association and as a member of the City of Plymouth Planning Commission.

**The Old Village Association**

The Old Village Association (OVA) was established in the 1980's. The organization includes both businesses and residents. It is located outside of the DOA and the traditional downtown. The mission of the Old Village Association is to bring funding and awareness to 'our side of town'. Throughout the year, the OVA works to host a variety of events. These events help raise funds to support area improvements including park and infrastructure projects, as well as beautification projects and community outreach.
