Main Street Flower Planting- May 18, 2024

By Timothy E. Joy on Monday, May 20, 2024

Rotarians and friends gathered in Main Street for our annual service project to beautify downtown Plymouth! Our Club has done this for so long there is a bronze plaque acknowledging our service to Plymouth. And no I wasn't there when the memorial to our club was installed. I'm old but not that old....

The day was beautiful by anyone's description! The Farmer's Market was a sea of colorful plants, happy vendors, and people hauling out their loot by the coaster wagon full. One of the vendors supplied the begonias that our Club planted! We've got to support our local folks!

Eric Joy and Jeff Stella had made the arrangements prior to the day, Thank You!

I picked up the coffee and donuts from Tim Horton's and arrived a bit early. The City DMS crew had dropped off traffic cones on Friday. Thanks! I placed them along the Main Street island to reserve work space for the Rotary crew.

Folks showed up- a few at first, then more, and again more! I wish you could have seen the smiles and laughter that went with this annual flower planting. Lots of gabbing, ribbing, and just a good time spent making the place we call home a little more beautiful!

The official start time was 8:30 am and I think that we were done by 10 am. Many hands make light work!

The tulips we planted last fall were a handsome display. I hope you saw them! Remember that we need your help next fall.

I've included a picture of two June's- June Kirchgatter and June Mrozowski, who is cute as can be! Little June's brother Jim and Sister Jane are also in the picture. Daddy Josh brought his girls to show them that Rotary "work" is also Fun!
