Historical Items Needed

By Timothy E. Joy on Monday, December 18, 2023

Calling all Plymouth Rotarians!

Here is an opportunity to clear out your closet! (a little)

Plymouth Historical Museum needs **men's suits** from the 70's, 60's, earlier; for a historical display about our club. Maybe you have some of your grandpa's or great grandpa's old finery that needs a new purpose in life. Also, that stunning necktie would help!

They don't need to outfit a cast of thousands- maybe four to six suits that will fit their manikins. These will represent Rotarians from our earlier days. This isn't the ugly sweater contest in suits- so appropriate attire please.

Also, anything that you consider a Rotary Historical would be appreciated! We're looking for Presidential gavels and plaques to display. Old Broadcasters are needed!

Please let Tim Joy know if you have something. A picture would be nice.
