By Timothy E. Joy on Sunday, May 14, 2023

Dear Club Members,

The Membership Committee has forwarded a new member application to the Board.

Our Board authorized the publishing of Todd Raska to be a Plymouth Rotarian.

Todd has attended several of our club meetings. He is Director of Operations for

the newly constructed and opened E Z Storage located on Sheldon adjacent

to M-14.

Todd is excited about being a Rotarian.

Todd's sponsor for membership is Doug Willett.

Please share any issues or concerns with Penny or Marie prior to May 24th.

Yours in service, Tim Joy (for Penny)
