## Restored Citizens Committee is Reactivating and Looking for Volunteers

At the end of 2019, the Rotary Club of Dayton and Clothes That Work began a volunteer partnership with the Montgomery County Office of ReEntry's Career Alliance Academy to assist members of the ReEntry cohorts with one-on-one resume building and coaching. We were able to enjoy several coaching sessions with these groups before we had to suspend our committee's involvement due to the pandemic.

We are pleased to announce that it is time to re-launch our program! Any Rotary Club member interested in volunteering to participate in this very rewarding experience is invited to work with individuals to build effective resumes to help them achieve employment success. Please contact Cindy Garner, Chair of the Restored Citizens Committee, if you have any questions or if you would like to volunteer for this ongoing opportunity. [Cindy.garner@clothesthatwork.org](mailto:Cindy.garner@clothesthatwork.org)
