## This Week at Rotary

**MONDAY, August 1, 2022**

***In person at Sinclair Community College - or on Zoom***

***"Avoiding Legal Troubles as a Board Member of a Non-Profit Organization"***

Martin Foos is an attorney and partner with Foos and Lentz. He is a business lawyer with extensive experience litigating all types of difficult situations that businesses face. He is also a trusted advisor who helps clients navigate difficult contracting and employment law matters. His presentation will look at the legal duties of care, obedience, and loyalty owed by board members, using examples and case studies to highlight particular features of each duty.

Chair of the Day: Dave Williamson

## This Happened Last Monday...

Members were serenaded by pianist Cameron Voorhees, a musician who spent 20 years in the Air Force who is currently teaching at Cedarville University.

Walt Hibner called the meeting to order. He informed members that Lisa Wagner's mother had passed away. Walt also informed members that Kelly Lehman's son was experiencing some complications from Type II diabetes. He asked that we keep both members in our thoughts.

Bill Nance led us in the Invocation (focused on considering things before we act, encouraging members to trust before we love, know before we judge, commit before we promise, forgive before we forget and appreciate before we regret), the 4-Way Test and the Pledge of Allegiance. Bill shared the News of the Day: Home sellers are cutting prices, with asking prices reduced by 25% in June. States with the biggest share of lowered prices are Idaho, Utah and Colorado. Conversely, the price of used car vehicles has increased to \$33,341, ½% increase vs. the previous month. In feel good news, a Hamilton, Ohio couple, celebrated 79 years of marriage and 100-year birthdays, having fallen in love when she smiled at him at a church service. In Rotary news, Rotary Foundation has awarded a \$2 million grant to help reduce maternal and neonatal mortality in Nigeria. Another botched crime story – two would be bank criminals who failed the "Pepsi challenge" when the clerk of the bank they attempted to rob hit them over the head with a 12-pack of Pepsi; the criminals ran off with no money.

Joanna McCord asked members to introduce their guests.

- Cassie Barlow welcomed Rear Admiral John Spencer, Retired Lt. Commander Tom Paige, Lt. Commander Leon Moore and Jessica East of Noir Marketing and Public Relations
- Joanna McCord welcomed her husband, Gary McCord
- Marc Pedro welcomed Jake Runge of Insignia Display Graphics
- Sharlet Briggs welcomed Samuel Brown of Kettering Health and a Navy veteran, and her son, Dustin Briggs who served 10 years in S. Korea
- Steve Rubenstein welcomed David Hargrove of Crayons to Classrooms and a Navy Veteran

Linda Groover greeted members and awarded four tables with a bonus Queen of Hearts ticket for having male and female Rotarians, pins and a red ribbon member at each table. Linda wished happy birthday to Lisa Grisby (7/25), Allen Baker (7/26), Lori Poelking-Igel (7/26) and Matt Jessup (7/29). Linda also reminded everyone that we're partnering with Crayons to Classrooms (C2C) with a goal of raising \$2,000 in supplies and/or contributions. You can bring supplies on Monday or make donation with check to Laura or online. She also announced Rotary Dines Out at the Germanfest Picnic, August 13. The Club will provide one FREE "bier" and dinner is on your own. Make reservations with Laura by August 8. Please sign up for committee participation on the form Laura sent last week. Linda also reminded the club that Rotary will be on the road on August 29<sup>th</sup> – check the smile for locations. Finally, Linda gave a shout out to Cassie Barlow who was recently elected the Dayton Business Journal Hall of Fame.

Tom Carlisle, who was on his way back from his wife's memorial in Watertown, NY, thanked the club for their condolences. Day-Tens.

- Lisa Grisby, Day 100, in honor of her birthday
- Kim Pollard, Day 10, in honor of the grand opening of ProSpeed on 5<sup>th</sup> street
- Dick Hattershire, Day 100, in honor of Chris Corba, a new member
- Amy Radachi, Day 100, in honor of our speaker and her son who is in the Navy

Walt Hibner highlighted the Rotary Foundation's \$50 million raised for polio eradication. He asked club members to keep the effort in their thoughts as a polio case was found in New York. He then invited Cindy Garner, Penny Wolff and Dick Hattershire to the podium to introduce new members.

Cindy Garner introduced new club member, Mike Rogers. Mike is a native of Dayton, having recently moved back to the area to be closer to family, graduated from the University of Dayton. Mike is currently the Chief Development Officer at Dayton Live. A seasoned fundraising professional, Mike has also worked at the American Cancer Society, American Red Cross and Keep America Beautiful.

Penny Wolff and Dick Hattershire introduced new club member, Christine (Chris) Corba. Chris has lived in the Dayton area for 35 years. She is a graduate of the Indiana University of Pennsylvania and is currently the Executive Director at the League of Women Voters of the Greater Dayton area where she supports over 300 League members to carry out the mission of the League. Chris and her husband live in Beavercreek and have two adult children.

Cassie Barlow introduced today's speaker by translating Air Force lingo into Navy lingo. Rear Admiral John Spencer is the Commander of Submarine Group Ten, overseeing 5000 people and 8 submarines. He is a graduate of Fairborn High School, the Naval Academy and the Naval Academy War College.

Rear Admiral John Spencer talked about "Maintaining America's Advantage at Sea". He specifically talked about three areas:

1. Ohio's connections to the Navy – there are approximately 10,000 active-duty individuals in the Navy from Ohio, including Randy Kritz who is the Lead Budget Officer from Lima, OH and Commander of the USS West Virginia, Erek Kasse of Bellbrook, OH. In addition, the legendary WWII Fleet Admiral King was born in Loraine, Ohio.
2. What the Navy Provides – the US Navy provides worldwide "freedom of the seas", ensuring all ships can sail and the free flow of goods and commerce, including the \$55 billion of goods shipped from Ohio.
3. What the Navy does on any given day – the US has a large navy, including 12 Aircraft carriers, 70 submarines and 280 ships (100 are at sea at any given time). Examples of activities include preventing piracy in the Mediterranean Sea, supporting allies like Japan and Australia and strategic deterrence of our adversaries.

Rear Admiral John Spencer is in Dayton as part of "Navy Week". More information on "Navy Week" can be found here: <https://outreach.navy.mil/>.

David Williamson, Susan Hayes, Penny Wolf, Bob Hoopes, Darlene Nelson, Patty Caruso and Jim Deuser all had engaging questions and/or comments for our guests. Jim Gallagher was also remembered as a "Navy Guy".

Rear Admiral John Spencer drew the Queen of Hearts winner – the current pot is \$2500; Tom Budde was the winner, but drew the 10 of Hearts, so close! Tom also won tickets to the CenterPoint Energy Dayton Air Show presented by Kroger. A second Queen of Hearts ticket was drawn, Darlene Nelson also won tickets to the Air Show, where the Navy Blue Angels will perform.

The meeting adjourned.

### NEW MEMBER PROFILE

**Christine Corba** (Chris) is originally from Edinboro, Pennsylvania, and has lived in the Dayton area for 35 years. She earned her BA in Psychology from Indiana University of Pennsylvania and has worked with nonprofits for most of her professional career. At Family Service Association, as Manager of Family Education and Volunteer Services, she instituted the agency's first formal volunteer program and oversaw parenting education efforts. After the birth of her children, she began working remotely before working remotely was "cool." She contracted with the Ohio Community Service Council (now Serve Ohio) and managed the process of drafting Ohio's Unified State Plan to increase volunteerism throughout Ohio, which was a requirement of the Corporation for National and Community Service. She also oversaw regional grants that helped to expand volunteerism in underserved areas. She worked with the Friends of the Dayton Metro Library where she designed and coordinated the library's first volunteer program and managed 42 Friends' book sales. Over the years, these sales raised over a million dollars to support programs and purchases outside of the library's regular budget. During that time, her kids knew every children's librarian in the system! Chris contracted with We Care Arts from 2003 to 2017 helping with their development efforts, served as Director of Community Engagement at Epilepsy Foundation Ohio and Development Director at United Rehabilitation Services. In her current role at the League of Women Voters of the Greater Dayton Area, Chris is responsible for supporting over 300 League members who carry out the mission of the League; to encourage informed and active participation in government, increase understanding of public policy issues and to influence public policy through education and advocacy. She and her husband, Curt, reside in Beavercreek and have two adult children: Nick and Colleen.

Thank You Letter for City of Dayton Police Department

April 15, 2022

Walter Hibner, President  
Rotary Club of Dayton Foundation  
3131 South Dixie Drive, Suite 414, Box #71  
Dayton, Ohio 45439

Dear Mr. Hibner,

On behalf of the Dayton Police Department (DPD), I would like to express our deepest appreciation to the Red Ribbon Committee of the Rotary Club of Dayton for your incredibly generous donation of \$25,000 to our K9 unit. The impact of your commitment to our K9 program is immeasurable and will provide countless improvements and opportunities.

The K9 Unit of DPD is a vital element of our daily law enforcement efforts. Your donation will provide additional funds for training and equipment that would have otherwise been outside of our financial scope. In addition, your donation will allow us to add another K9 member to the team, including the required accommodations, such as safety equipment and cruiser additions. The overall effect of your donation on both our organizational ability and the safety of our city is insurmountable.

These improvements would not be possible without your generosity and compassion. We will be sure to update you as we progress with our newfound resources, so that you may see what a truly remarkable impact you've made on our organization. Thank you again for your contribution and your sincere efforts to support the K9 unit of DPD.

Sincerely,

Kamran Afzal  
Director and Chief of Police  
Dayton Police Department
