Save the Date! Upcoming Social and Service Events

By Julie Ann Colley

Save the Date! Upcoming Social and Service Events

October 22 – Boyer Nature Preserve Clean-up
December 14 – Holiday Party at The Lakes

More opportunities for Sunrise Rotarians to make a difference in our community! Imagine what Rotarians can do together!

Saturday, October 22 – Clean-up at Boyer Nature Preserve

9 am to Noon 425 E. Park Street
Friends of Alum Creek & Tributaries (FACT) have planned a clean-up morning to remove invasive plants and shrubs at Boyer Nature Preserve. Mike Herron shared this "hidden" gem on one of our Westerville Sunrise Rotarian winter hikes in 2021. Now we have an opportunity to assist in this clean-up project and help maintain this beautiful nature preserve in the middle of our community. Bring gloves and wear appropriate clothing. All ages welcome, however children under the age of 15 should be accompanied by a parent.

Sock-tober Service Project

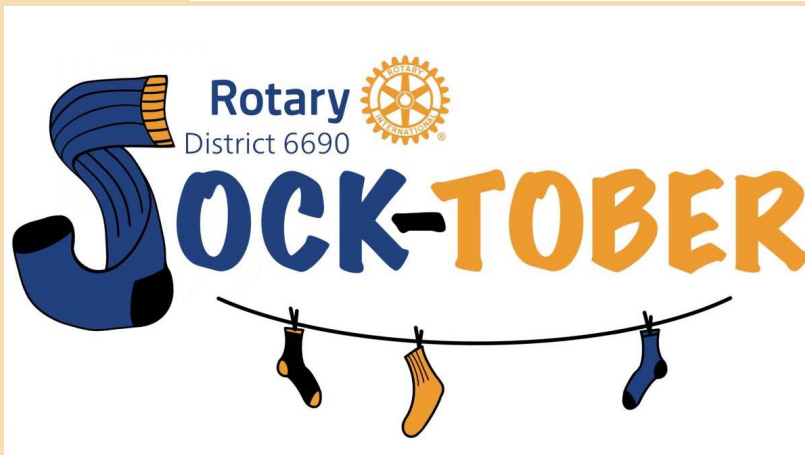

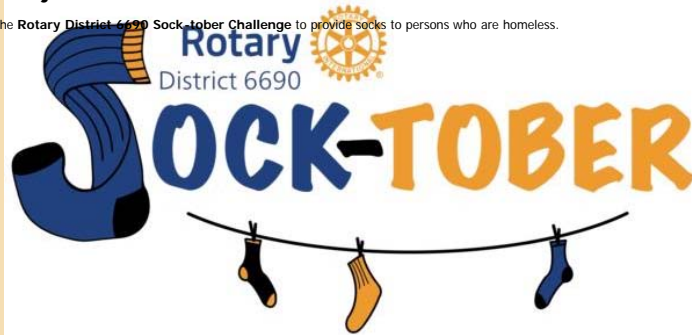

By Wolfgang A. Lant on Saturday, October 1, 2022

Sock-tober Service Project

Please get your club involved in the **Rotary District 6690 Sock-tober Challenge** to provide socks to persons who are homeless.

Sock-tober Service Project

by Wolf Lant and Sandy Knoesel, District Service Project Committee Co-Chairs

When the weather turns cold, it's tough to stay warm when your feet are cold. Socks are something that most of us never have to think twice about. When you go to get dressed, you open your drawer and pull out your most comfy, your warmest, or your favorite-colored socks. But for those who don't have a home, it often means walking on average up to 10 miles each and every day just to find necessities, and while wearing shoes that are not the correct size and with socks that are worn out, dirty and stiff. There is nowhere to wash the socks, so after 2 to 3 days, the socks are worn through and must be thrown away.

It's not pretty, but it is reality.

One of the main reasons someone who is homeless goes to the emergency room is because of a foot ailment, and the best way to prevent that is being able to wear clean, dry socks on a regular basis. So, if we can offer a simple piece of clothing such as new, fresh socks, feet can be protected from getting cold, getting wet, and getting blisters or worse. We know that socks are the #1 clothing need of those experiencing homelessness.

That's why we're asking you to get your club revved up and have each of your members donate new pairs of socks to help the homeless in your community.

Sock-tober is the name of our first district-wide service project this Rotary year. **Our goal is simple. Together, we want to donate 3,200 pairs of socks – one pair for each Rotary club member in our district – to community homeless shelters throughout our district.** It sounds like a lot of socks, but that's how big the need is.

Club service project leaders are encouraged to contact the homeless shelters in your community to develop plans for donating the socks to the organization of your choice. Additional organizations in the Columbus metropolitan area that may need sock donations include:

- Homeless Families Foundation
- Salvation Army
- Sanctuary Night
- Star House
- The Open Shelter

To highlight the Sock-tober service project, club volunteers are encouraged to upload photographs after entering the total pairs of socks collected to the link provided. These photos will be used to show how much fun Rotarians have helping others.

To participate in this district-wide service project, all you need to do is to collect new pairs of men's and women's socks during October and then record your final total by going to the link <https://forms.gle/VsmU03PKEydl57oz6>. Along with bragging rights, the top three clubs that collect the most pairs of new socks per member during October will be featured in the December District 6690 newsletter, and don't forget the likelihood of a "District Governor Pop-in" to celebrate the winning clubs! The deadline for recording your **Sock-tober** success is Nov. 11.

It's time to fire up your club members and start shopping for new warm socks. Don't forget to take lots of fun photos showing the mountain of socks collected and post on your social media as well as the link above.

Get creative! Have fun! Help your club to win the Sock-tober Challenge!

For more information about the **Sock-tober** service project, contact Wolf Lant at wolf@compucorp.net or call 614-579-2667. Members of the District 6690 Service Project Committee are Wolf Lant, Dublin AM; Amanda Bowen, Columbus; Bill Grindle, Worthington AM; and Sandy Knoesel, Columbus.

Rotary Fun

Westerville Sunrise Rotarians are everywhere! If you see other Rotarians when you are out and about, please snap a photo and send it in for the newsletter. Looks like Bocce was great fun. Thanks to Pat Knott for the photos!
