Peace Candles for Valentine's Day

By Paul E. Kulik on Sunday, February 5, 2023

Attention Sunrise Rotarians: Tom Carlisi District 6690 Peacebuilder Chair and Paul Kulik will be offering Peacebuilder candles at this week's (8th) meeting.

The Rotary Peace Candles are made of 100% all natural soy with essential oils and are hand poured by the Friendly Candle Company in Columbus, OH. These candles have a 70+ hour burn time.

Peace Candles make a great Valentine's gift to a special person or as a thank you for someone who would appreciate a scented candle w/ accompanying spring flower seeds. They can be yours for \$25.00 either in cash/check or charged to your Rotary account.

Please consider supporting our Peacebuilder efforts for District 6690.
