## Becoming a Host Family

By Debbie Wiedwald

Have you ever dreamed of exploring another culture? Language? Customs? By hosting a Rotary Youth Exchange Student for 3 months people can experience another culture without ever having to leave home!

Without the willingness and sincerity of families who have opened their hearts and homes to students they have never met, the Rotary Youth Exchange Program would not exist. In an ever-changing world, it is important that we expose our children, our students and ourselves to areas and people unlike us™s how we open our eyes to a global community that shares the same hopes and dreams that we do. In the landscape of today, adults and children alike must learn about others and reaffirm their faith that people from all over the world are good. What better way to do that than becoming a host family

### *Becoming a Host Family*

A variety of family structures are perfect for being host families—small, big, with many children, or no children. Working families - retired families - We aim to reflect real-world families to students, and we know that real families come in all shapes and sizes.

Westerville Sunrise Rotary is hosting a male student from South Korea for the 2024-2025 school year attending Westerville North high school. Exchange students live in 3 host homes during the academic year to provide different experiences for the student and allow additional hosting opportunities for families. There are opportunities for 2 additional host homes for the 2024-2025 year. Host families receive support from the Youth Exchange committee. Host homes do not have to be Rotarians. If a host home does not live in the Westerville North attendance area, the host family would need to provide transportation for the student to attend Westerville North high school.

Please reach out to Debbie Wiedwald at [Debbie.wiedwald@gmail.com](mailto:Debbie.wiedwald@gmail.com) or 614-332-0296 if you are interested in being a host home for the 2024-2025 school year and experience a cultural exchange.
