**Join Us Thursday, The Last Meeting of the Rotary Year**

Our speaker will be [Bryan Lane](#), continuing the Get to Know Your Fellow Rotarian series. So if you have ever wondered how Bryan arrived in Powell from Indiana, what Bryan's hobbies might be, or how in the world Bryan is a married man, this is one you won't want to miss!

**Congratulations to John Jordan**

This year's Dan Weng "Service above Self" Olentangy Rotarian of the Year, 2023-2024, is John Jordan. This award recognizes not only the physical and monetary service that John has dedicated to the club, but to his years of service as the club's Treasurer!

**Best of Luck Chari**

Welcome Chari as this year's President of the Olentangy Rotary Club. Please continue to show him the support that you have shown me this past year. While volunteering for a leadership position in the club may seem daunting, if there is support by the members then it makes all of our tasks much easier. Many hands make light work!

## DG David Uhl Message

Dear Fellow Rotarians,

As the 2023/24 Rotary year comes to an end, I have been reflecting on the phenomenal things that you, the great Rotarians of District 6690 have accomplished this year. In addition to all you have done through your club to **Create Hope in the World**, as a District we;

- Recognized and focused on a single-use Plastic Free July.
- Collected tens of thousands of socks for our communities.
- Focused on empowering women and girls and donated tens of thousands of feminine hygiene products for our communities.
- Continued to focus on the next generation of Rotarians through Youth Services, Youth Exchange, and worked to ensure RYLA was offered this year.
- Packed more than 22,000 meals for people in need during a sold-out District Conference.
- Emphasized membership in our clubs through Each One Bring One campaigns.
- Facilitated numerous leadership development opportunities, including RoTalks, District Assemblies, District Conference, and many, many Zoom meetings.
- Became the very first state-wide Peace Chapter in the United States.
- Planted and dedicated numerous Peace Poles across our District.
- Focused on Mental Health and provided learning opportunities both at the District and Club levels.
- Worked to raise \$250,000 for Polio. **Note: We are not there yet! You can help. We have a \$15,000 gift that we are working to match in the District. Please give a gift today and move us past our goal for Polio.**

I could sit here all day and reflect on the unbelievable work of our Rotarians and clubs this year. The above is a very small sample of what we have accomplished together.

And I am grateful. It has been an absolute honor and pleasure to serve as District Governor this year. Thank you for the opportunity to serve. Thank you for the many kind words of encouragement so many of you have provided over the past few years. Thank you to everyone who played a part in the success of this year through your work to Create Hope in the World. Words aren't enough to express the deep sense of gratitude I feel. But, for now, they will have to suffice. Thank you.

Thank you for making this a phenomenal experience and year. And now our Rotary journey continues. We will continue to focus on Creating Hope in the World. We are Rotarians. It's what we do. However, as time marches on, we now do so in the context of celebrating the Magic of Rotary. I have no doubt that we are in for a fantastic year ahead with very soon to be District Governor Gary. And as I transition to Immediate Past District Governor, I'll be working alongside you and cheering you on as we continue to be People of Action, and as together, we see a world where people unite and take action to create lasting change, across the globe, in our communities, and in ourselves.

With immense gratitude and appreciation,  
David
