**District Governor's Club visit - Thu Sept 12, 2024**

Fellow Rotarians,

Please mark your calendar for Thu Sep 12th. Let us get our full strength at this meeting. Invite your friends, business associates and all other potential members. Let's get the word out. A great opportunity for us to introduce and spread the Rotary message to potential members and hear from our district leader DG Gary Baker.

**Rotary - Celebrate Community Week - Sept. 8-14**

Rotary clubs worldwide are collaborating with Kiwanis International, Lions International, and Optimist International for our fourth annual Celebrate Community Week!

During the week of September 8-14, weâ€™re encouraging all Rotary and Rotaract clubs to partner with local Kiwanis, Lions, and Optimist clubs on a service project that will have a long-term impact in your community. (Use the club finder tools to locate [Kiwanis](#), [Lions](#), and [Optimist](#) clubs near you.) To get started, reach out to the local presidents of these sister clubs and then work with a local social service organization or with local government officials to learn what your community needs and how you can plan the most effective project. Target the week of September 8 - 14 to implement that project with the other sister clubs and then let us know what you did and how many members of each club participated.

Once youâ€™ve selected a project and a partner club, please register your clubâ€™s participation here: <https://forms.gle/t9uYwj77SymP6yeDA>.

We will highlight some clubs with the most impactful collaboration in an upcoming district newsletter, so please include some pictures with your registration if possible! The final registration deadline is September 30<sup>th</sup>, 2024.

Tell your neighbors â€™ and us â€™ about your joint service project by adding the project to [Rotary Showcase](#).

We can do more when we work together. Letâ€™s harness the collective power of the 3.4 million members of our four service organizations and Celebrate Community together!
