Our Fund Raiser - Olentangy Rotary Football Fever

Wednesday, November 6, 2024

This is the last week to sell the Football Fever tickets. All tickets must be entered by Sunday night. We're still short of our goal of 432 tickets sold so hopefully we can have one last push.

Thank you to everyone that turned in your money to John Jordan at Thursday's meeting. If you haven't turned in your money, please bring it to this Thursday's meeting or contact Jason Barlow directly this week. Also, a few of you paid John J but haven't entered the sold tickets online. This needs to be completed this week otherwise those tickets will not be included in the contest. If you have any questions, please let Jason know.

Thanks for all of your help!

Consider giving to Foundation (RI, Club foundation), Paul Harris Fellow, Polio Plus, Major Gift and Bequest Society

Paul Harris Society

The Paul Harris Society was created in 1999 by Past District Governor Wayne Cusick from District 5340. Cusick realized that giving US\$1,000 annually to the Foundation was not possible for every Rotarian, but many could be encouraged to contribute at this level or above. He introduced the Paul Harris Society program to encourage and recognize these donors. I'll be sharing more information about the PHS in next's month newsletter.

An easy way to begin contributing to the PHS is through the 125 Club. Members donate \$125 - \$100 goes to the RI Foundation and \$25 to Polio

A Message from DG Gary

By Gary D. Baker

Once again, our Rotary family and neighbors have been stricken by a natural disaster. As specific needs develop within our zone, we will communicate that information to you. You can also review the relief information that is posted on **The Disaster Network of Assistance Rotary Action Group (DNA RAG)** website.

I also want to bring to your attention a message from adjoining zones 33-34 that Director Patrick Eakes communicated. Please take the time to review and support.

We are not quite three months into the 2024-25 Rotary year, and a second devastating hurricane has caused widespread serious damage and loss of life in several of our districts, including those in Florida, Georgia, South Carolina, and North Carolina. The damage is massive and ongoing, and more than 60 people have lost their lives so far.

Our Communications Action Plan team has updated the disaster relief page <<https://www.rizones33-34.org/disaster-relief/>> on our zones' 33-34 website to include a donation link to support recovery efforts. This is the same page that we used for Hurricane Beryl. However, this time, we are directing donations to a bank account owned by our zones. Our Zones are recognized as a 501(c)(3) nonprofit, which means that we operate as a recognized charity.

The eight districts in Florida have worked together effectively to address needs following two hurricanes in the last two years, and they have provided a powerful model that can be a starting point for us. Our plan is to collect donations through our website and assemble a team of experienced Rotary leaders to make recommendations about how to disperse the donations to create the maximum positive effect. We will also rely on Rotary leaders in the affected districts to determine the highest priorities in their areas and how to address them. Together, we will work to address as many needs as possible.
