

Rotary Club of Columbus

Reminder!

We are back at Scioto Country Club for March 26th 7:30AM meeting!
**Don't miss our speakers, Amy Klaben and Shiloh Todorov. Families Flourish is Helping Make Central Ohio More Inclusive. **

Learn how families flourish with a new and innovative program unique in the USA and created here in Central Ohio! *Families Flourish* enables all Central Ohio children to thrive and become who they're meant to be; while giving their parents the tools to reach economic security.

April 2nd we DO NOT have a meeting.

Fort Hayes

Unfortunately, I was unable to attend the Fort Hayes Trip this past week but I heard it was a wonderful turnout. There were about 50 people, which included about 40 Rotarians and sponsors. An incredible student from Fort Hayes who is a violinist played for the guests. Her plan is to go to Berklee College of Music. Rotarians went on a tour around the school and then could talk with students at 23 different kiosks set up around the common area. The kiosks were set up to showcase the different opportunities that Fort Hayes has to offer. To name a few; Agriculture & Environmental Systems, Construction Technologies, Health Sciences, Manufacturing Technologies, Media Arts and many more! A lot of hard work went into this incredible experience, and we thank each and every one of the students and staff for helping get this into motion.

If you weren't able to make this amazing meeting then you will have to make sure you make the next!

PETS

Emily Chapman was able to attend PETS and said it was a great! District 6690 took home the service project winner's cup again this year. And I met Rotary International President Elect Stephanie Urchick, who spoke at Pre-PETS and was Friday's keynote speaker.
