Join our Annual Service Campaign Pacesetters

Columbus Rotary began its 113th year of service to our community on July 1. The impact our club makes in our community and around the world is driven by enthusiastic and generous members who support our Annual Service Campaign. This year, our club's fund-raising team invites you to step up and be a Pacesetter by donating \$1,000 or more to the Columbus Rotary Foundation. Letters - and a pledge card - were mailed to all members today.
