How the Columbus Community Can Help Our Schools

- **We have provided school supplies to every student at Windsor STEM Academy.** I want to give a special shout-out to President Elect Jason Southwell for heading up this effort, as well as to all of the volunteers who helped pack and deliver supplies. I know I had a great time wheeling full carts around and seeing the excitement on the teachers' faces!
- **We funded the painting of several murals at Windsor** to bring color and character to the building. More to come on that, including pictures, soon.
- **We welcomed new members:** Ryan Daniels, John Wise, Jessica Ortleib, and Marissa Angellata. And we welcomed back a returning Columbus Rotarian, Tom Dillard.
- **We've enjoyed two Wine Down Wednesdays.** I have loved the energy of these events, they have been great opportunities to get to know each other better. I'm looking forward to the next one at Huli Huli on September 25!
- **We welcomed our sponsored Rotary Youth Exchange student, Martyna Modlitowska, from Poland,** who is attending Whetstone High School. She will be visiting our club this fall to introduce herself and tell us about her journey.

And that is just to spotlight a few things the club has been up to. Our committees have also been hard at work planning future events and service projects. As committee chairs share more with me, I will be sure to keep the club updated on what is happening and how you can get involved.

I've said it before, but it bears repeating that I am impressed by, and appreciative of, all of the enthusiasm and effort our members put toward making our community a better place. I'm looking forward to continuing the "Magic of Rotary" this year!

Have a great long weekend,

Emily Chapman
