## Rotarian of the Year Nominations DUE TODAY

Nominations for Rotarian of the Year are **due TODAY, November 8, 2024**.

This is part of a long-standing tradition in our club to recognize an outstanding member who has exemplified Service Above Self in Rotary, their professional career, and in their community. Club members are asked to nominate candidates for the award and provide details to support the nomination. Past Rotarians of the Year then vote for the next Rotarian of the Year.

## Can't Miss Program

You don't want to miss our speaker for next week's program. Dr. David Harrison, President of Columbus State Community College, will be bringing us up to date on some of the exciting happenings at this innovative community college. He will be sharing information about a number of the college's key initiatives, such as Columbus Promise and educational programs in growth industries like advanced manufacturing (Intel, Honda, Amgen), IT and Healthcare. He will also mention improvements to the Columbus campus that are helping students prepare for jobs across a variety of fields.

## Nominations for the Rotary Club Board

In accordance with the club bylaws, a nominating committee was convened to identify a slate of Rotarians to fill the three upcoming board positions starting in July of 2025. A slate of six members were identified, of which three were willing to undertake the duties required with serving on the club board as a director. Pursuant to the bylaws, directors must not be currently serving on the foundation board and must not have been a director on the board in the past three years.

The three members that were identified and accepted are **Bill Wahoff, Scott Whitlock, and Vince Holzhall**.

We will vote as a club to approve this slate at the Annual meeting in December. Absentee ballots will be sent the week prior and are due back 72 hours prior to the annual meeting. We will accept nominations from the floor at the time of the vote to approve the slate.
