### WELCOME NEW MEMBERS!

Rudolph "Rudy" Spencer, Chief Development Officer of Big Brothers Big Sisters of Kentuckiana!

### About our Speaker:

Ben Reno-Weber is a social entrepreneur whose career has been dedicated to creating opportunities for all people to reach their full potential. He has run tech start-ups, non-profits, and government programs in the US and abroad. His current focus is on what the generational change and recent advances in technology are going to mean for a future workforce and an aging population.

In 2019, Ben became the Director of the Microsoft Future Work Initiative, a Microsoft funded nonprofit initiative focused on establishing Louisville as a hub for Artificial Intelligence, Data Science, and the Internet of Things. In that role he works with companies, educators, non-profits, and government agencies to understand the possibilities and limitations of the coming technological revolution, and how to take advantage of the opportunities while avoiding pitfalls.

### April 23rd Meeting Recap:

Our April 23rd Rotary Club of Louisville Zoom meeting gave us a two for one! We featured Dr. Jess Wright, the Kolb Endowed Chair of Psychiatry and Director of the Depression Center at the University of Louisville and Amy Wilson, a Long-Term Care Pharmacy Consultant, former National Fitness Presenter and Master Trainer, Nutrition Coach, and Group Fitness Director for Louisville Athletic Club-Jtown. Jesse and Amy discussed staying healthy during quarantine focusing on both mental and physical health.
