About Kevin Flanery and Travis Stone:

Kevin Flanery was named the 13th president of Churchill Downs Racetrack on July 13, 2009. He has spearheaded a number of renovations to the racetrack, impacting all levels of ticketed venues and has implemented innovative technology to spur record growth for the Kentucky Derby in a challenging economic climate. Flanery joined Churchill Downs in December 2005 as vice president of national public affairs and was promoted to senior vice president of national public affairs and communications in March 2008.

Travis Stone is the track announcer for Churchill Downs and the Voice of the Kentucky Derby since 2015. A native of Schroon Lake, NY, Travis knew he wanted to call races when he was a kid growing-up and attending the races at Saratoga. Now a resident of Louisville, Travis considers calling the Derby the most difficult and challenging two minutes of the year... but also the most fun!
