In the News - Rotary Promise Scholarship and Evolve502 Partnership!

The Evolve502 Scholarship will allow eligible students to begin post-secondary studies tuition-free at a Kentucky Community and Technical College school or Simmons College of Kentucky. This will allow students to pursue an associate degree or career credential, or take 60 hours of credit before transferring to a four-year university.

Through a partnership, Evolve502 will now administer the Rotary Club Promise Scholarship. Students who would have received the previous scholarship will now be called "Evolve502 Rotary Scholars." The Rotary Club of Louisville will continue to support Evolve502 scholarships for student who are at Western and Iroquois high schools.
