No matter what your Rotary classification, we all share the common goals of excelling in our field and of constant quality improvement.

David Garrard has been honing his craft, entertaining and inspiring audiences with magic for more than 50 years! He has appeared extensively throughout the United States, and recently was featured on the popular network television show, *Penn & Teller: Fool Us!* A key to his success is what he calls his "pursuit of perfection." As he amazes us, David will share some insights he has gleaned to help us pursue perfection in our lives and work.

David works hard to make his magic as nearly perfect as possible. You probably won't be able to see how David does his tricks; however, you **will** be able to see that the principles he uses to pursue perfection in magic are transferable to any area of endeavor.

You will enjoy David's magic! And we are confident you will find his insights on *Pursuing Perfection* helpful. For a more detailed biography click here.
