About David Mattingly's presentation:

After a lifetime of reporting at the national, state and local level, WAVE 3 News anchor David Mattingly wants to tell you how to protect yourself from "Fake News." It is a global problem that threatens democratic elections and destabilizes governments. But you do NOT have to become a victim.

David will share his unique perspective on the problem and reveal his simple test that is guaranteed to help you tell the difference between what is "fake" and what is truly "news."

David Mattingly is a Peabody and Emmy Award-winning journalist with four decades of experience reporting domestically and abroad. A proud "Louisville Bommerang," David attended Seneca High School and now anchors the 7:00 and 7:30 pm newscasts for WAVE 3 News.
