### January 9th Meeting Recap:

Without committees, our Club would not be able to engage Rotarians, provide exceptional meeting content and conduct the vital work that demonstrates our "Service Above Self" commitment to our communities, both locally and globally. At the January 9th meeting, Committee Chairs and members were given the opportunity to highlight the variety of Committees our Club has as well as the work that each committee does. Rotarians were given the opportunity to ask questions, learn more and find a committee (or two) to join in order to enhance the Rotary Club experience.

### About Mike Richardson and his presentation:

What factors will impact the US outlook - political/geopolitical landscape, record low unemployment, the Federal Reserve, consumer spending, corporate investment, corporate debt to GDP ratio? Will the economy slow? This presentation will focus on the issues that will affect the first year of the new decade. And, do so with humor and a special guest! A must see!

Mike Richardson serves as Principal - an Employee owner - at The Glenview Trust Company. Glenview Trust is the largest locally owned trust company in Kentucky, managing in excess of \$15 billion in assets. Mike has been a client of The Glenview Trust Company for over 15 years.
