About the Committee Fair:

Without committees, our Club would not be able to engage new and existing members, provide exceptional meeting content and conduct the vital work that demonstrates "Service Above Self" in our communities and beyond. At the January 9th meeting, Committee Chairs and members will get the opportunity to highlight the great variety of committees our Club has as well as the work that each committee does. For Rotarians not actively participating in a committee, this will be a time to ask questions, learn more and find a committee (or two) to join in order to enhance their Rotary Club experience.

December 19th Meeting Recap:

In her role as Executive Director of the FBI's Criminal, Cyber, Response and Services Branch role, Amy Hess oversees all FBI criminal and cyber investigations worldwide, international operations, critical incident response and victim assistance.

At our December 19th Rotary meeting, Ms. Hess demonstrated the resiliency of the FBI as an American institution and how they partner with their communities to build resilience before, during, and after a crisis event. Ms. Hess expressed the necessity for effective organizations like the FBI, to adapt to changing environments and implement strategies to mitigate risks and optimize outcomes.
