#### Mid-year Club Progress Report Summary Strategic Planning Committee Chair, Ken Middleton

Mid-year progress reports are now available from the committees directly involved in supporting our annual Strategic Plan. You can review a summary by clicking [HERE](#). And, click [HERE](#) to review a report on the work of the Rotary Promise Scholarship Committee.

As a reminder, our Strategic Plan is built on three key Pillars:

**SERVICE:** The Rotary Club of Louisville is recognized as a powerful leader, catalyst and facilitator of significant humanitarian and civic service projects that improve lives in our community and the world.

**NEW MEMBERS:** The Rotary Club of Louisville is recognized as Louisville's premier organization of business, professional, educational, nonprofit and civic leaders who represent the economic and demographic diversity of our community.

**ENGAGEMENT:** Members are deeply engaged in the life of the club because they value our exceptional opportunities to serve others, to network and build relationships with other leaders, to develop and share their own leadership capabilities, and to learn about the people and issues that shape our community, our world, and our lives.
