Save the Date-District Training Assembly 8/28

By Nancy J. Stearman on Sunday, July 11, 2021

Rotary started with the vision of one man ♦ Paul P. Harris

Harris calculated that if others were longing for fellowship as much as he was, something would come of it. In February 1905, Harris and three others gathered at Harris' office in downtown Chicago for what would become known as the first Rotary club meeting.

A 600-gallon water truck will be there and everything else we need is provided. All we need is you!

A River Runs Through It

By Gail Story

As the doors of opportunity opened during 2020-21, Districts 6710, 6060, 6460, and 6510 came together to begin a journey down the Ohio River. The result is a multi-District service opportunity led by us in District 6710. The journey will begin on September 27, 2021 as we Serve to Change Lives.

The American Queen Steamboat Company and Rotary have partnered to begin community service outreach and develop a lasting relationship in our service effort within the 7th Area of Focus the Environment. Under the leadership of District 6710 Community Service Chair Bernie Strenecky, we will be working to save the river and planting friendship trees along the way for environmental effects and community beautification.
