About our Guest Speaker:

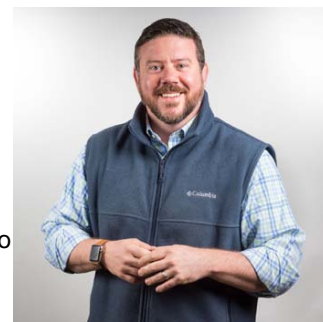

Natalia Martinez is an investigative reporter and anchor who works to expose problems that affect the community. Her goal is to get down to the truth with the help of sources, open records and a relentless will to keep digging. Natalia works to break the stories WAVE 3 News viewers care about, and often has the facts before anyone else. Her reports also provide context and show the bigger picture.

Natalia's presentation titled, "Peeling Back the Curtain," will show how the WAVE 3 News Troubleshooter Investigations are researched, put together and aired. She will share some of the stories that have had an impact on the community and brought about action. From the number of problems exposed at LMPD, to an embattled former city leader, to the Breonna Taylor case now gripping the nation, Natalia will walk through how facts behind the stories are delivered.
