

# SPARKS

**Next Meeting: Thursday, June 14, 2012**

**Speaker: David Bell**

**Manager of Louisville BATS**

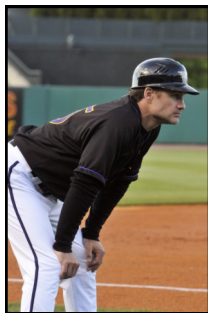

**Buffet Opens: 11:30 am / Meeting Begins: 12:15 pm**

**Galt House East, 2nd Floor, Grand Ballroom 'C'**

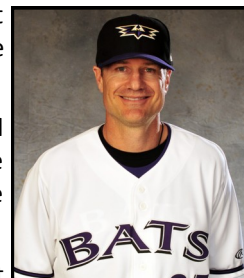

David Bell is the Manager of our 2012 Louisville Bats. A former Louisville Redbird, Bell succeeded Rick Sweet who was skipper of the Bats since 2004. Bell, 39, was manager at Double-A Carolina from 2009 to 2011. The 2009 season marked his first as a manager or coach at the professional level.

Bell played parts of 12 seasons in the big leagues with the Indians, Cardinals, Mariners, Giants, Phillies and Brewers. He was a member of the 2001 Seattle Mariners team that tied a Major League record with 116 regular season wins and in 2002 he played in the World Series with the San Francisco Giants.

On June 28<sup>th</sup> 2004 vs. Montreal, David became the first Phillies batter in nine years to hit for the cycle. A member of one of Major League Baseball's three-generation families, Bell is the son of former third baseman, Buddy, and the grandson of former Reds great, Gus. Gus Bell hit for a cycle in 1951, making them the first grandfather-grandson tandem in history to hit for the cycle.

David grew up in Cincinnati and graduated from Moeller High School, where he helped lead the Crusaders to a 1989 State Championship.

## Why join Rotary?

Among the reasons are community service, networking, leadership skills, international service, building friendships ... too many reasons to list. Here are a few Rotarians' comments:

*"Every Rotary Club in the world, no matter how big or small, has one thing in common: friendship. And it's from this base of friendship that we serve our community."* - Kemal Attila, Turkey.

*"I've become much more internationally focused, and understand that there's so much more I can do as part of a bigger whole than I could ever do on my own."* - Toni McAndrew, Pennsylvania

*"A week doesn't go by that I don't learn something new from the speaker at our club, or just from working on projects with people. It's an opportunity to grow indefinitely."* - Stephen Brown, California

## Rotary Meeting - June 7, 2012

On June 7, 2012, we met at the new ICE HOUSE facility, to be the site of our upcoming Rotary Club of Louisville Centennial Party on Saturday, July 21, 2012, to enjoy a pre-bash shakedown of its amenities. Merrily Orsini offered a thoughtful prayer drawn from the Golden Rule and its Rotary iteration, the Four-Way Test. In anticipation of our guest speaker's address, Dorn Crawford led us in the Pledge and a rousing rendition of "Anchors Aweigh" with Charlie Castner on the electronic keyboard.

President Stet thanked the ICE HOUSE, our host, and praised Craig Scherman for finessing gratis parking. Randy Coe, promoting Centennial event ticket sales, prompted our guest speaker, Rear Admiral James F. Caldwell, Jr., U.S.N., who drew the winner of a Rivue Restaurant certificate. We welcomed nine guests, two of whom are retired U.S. Navy admirals. David Dick recognized our birthday Rotarians, and we serenaded them with "Happy Birthday to You."

General Stewart Byrne, Rear Admiral James F. Caldwell, Jr. and President Maynard 'Stet' Stetten, M.D.

President Stet gave shout-outs to Keith Knapp, Joanna Haas, and Bishop Reed, thanked John Johnson for hosting Rotary Night Out at the Pendennis Club, and announced a new, "faster and more accountable" protocol for prospective and new member orientation. Bill Schneider updated us on details of the Centennial Party: all proceeds from the event are dedicated to the Rotary Promise Scholarship Fund. Craig Scherman, Lord of Free Parking, has secured free parking for us at the July 7 celebration. Washington Street will close for the event, and security will be provided by the Jefferson County Sheriff's Department.

President Stet then introduced our own General Stewart Byrne, to introduce our guest speaker, Rear Admiral "Frank" Caldwell, Commander of Pacific Submarine Forces. Admiral Caldwell presented the case for superior "blue water" American naval power: Our population hugs the coasts. Ninety percent of all commerce and goods touch and depend upon open sea lanes. The "operation forward" strategy promotes national security through early engagement (and outright discouragement) of threats far from our physical borders. Submarines comprise only six percent of the fleet, currently 285 vessels, but they are disproportionately important, strategically and tactically. After our Pacific battleship fleet was decimated in WWII, our submarines carried the war to the enemy. New "fourth generation" subs soon will join the current Fast Attack (Louisville), Ballistic Missile (Kentucky), and Guided Missile (Ohio) subs and deliver precision munitions and unmanned vehicles.
