RAND PAUL

U.S. Senator for Kentucky

March 31, 2016

Senator Paul will address Kentucky issues and concerns

Galt House West, Archibald Room, 3rd Floor • Buffet opens at 11:30 • Meeting begins at 12:05

U.S. Senator Rand Paul, M.D., is one of the nation's leading advocates for liberty. Elected to the United States Senate in 2010, Dr. Paul has proven to be an outspoken champion for constitutional liberties and fiscal responsibility. As a fierce advocate against government overreach, Dr. Paul has fought tirelessly to return government to its limited, constitutional scope. As a hard-working and dedicated physician - not a career politician - Dr. Paul came to Washington to shake things up and to make a difference. Dr. Paul is a devoted husband and father of three who currently lives with his family in Bowling Green, KY, where Dr. Paul has owned an ophthalmology practice and performed eye surgery for 18 years. Dr. Paul has been married for 25 years to Kelley Ashby Paul of Russellville, KY, and they have three sons: William, 22; Duncan, 19; and Robert, 16. He regularly volunteered to coach teams for each of his three sons in Little League baseball, soccer, and basketball. Dr. Paul and Kelley are both devout Christians and are active in their local church. [More Here](#)

Can you volunteer for one hour on April 25th?

Rotary Mentors are needed at Western High School for only one hour on April 25 to promote our Rotary Promise Scholarship at our last meeting of the year at Western. Mentors are provided with an easy to follow lesson plan before each meeting. The Rotary Leader starts the meeting with an opening activity and comments. Students are assigned tables by class. Mentors lead the discussion and help a small group of students (8-10) with skills: communication, goal setting, decision making, teamwork, respect, interview preparation, time management, confidence building, college preparation, planning, and leadership based upon the lesson plan (provided). We need ten more Rotarians who want to help promote education and the Rotary Promise Scholarship. No mentoring experience required.

When: Monday, April 25, 8:25 AM to 9:30 AM
Where: Western High School 2501 Rockford Lane, Shively, KY 40216

MARCH 24 MEETING RECAP

Unsung Heroes Program

In President Greg Braun's absence (vacationing in Argentina), President Elect Alice Bridges rang the bell at 12:05 p.m. Past President Merrily Orsini provided the invocation, and Jarred Cook the Pledge and the Rotary Four-Way Test. President Elect Alice welcomed our many guests, and urged prospective members to stay for the 'What is Rotary' session at the designated table with Mark Kull. Matt McCubbins served as birthday host and introduced Ralph Johanson who was at the birthday table. The Unsung Heroes emcee Kevin Smith welcomed representatives from JCPS, JCTC, Bellarmine, UofL, Sullivan, in addition to counselors and a multitude of proud parents and families of the Unsung Heroes, high school seniors of 48 schools throughout the community. Kevin provided a brief background about each student as they received the Unsung Hero award packet from Rotary Club presidents. Each student's accomplishments were as impressive as the next! It was clearly evident that these were incredibly talented and dedicated young individuals who are already making a difference in our community. We were challenged and inspired by each of them. [Click Here](http://youtu.be/nWLV6lmFGuU) for the meeting notes with all the details.
