About Victor Anderson

Victor Anderson grew up in Louisville's West End and attended St. Xavier High School where he was honored as a first team all-state football player. At the University of Louisville, Victor was a starting running back earning all-conference honors. Victor completed his football career playing professionally for the Montreal Alouettes of the Canadian Football League. Following his football days, Victor returned to the Louisville area to start a business and raise his family.

Victor will discuss his life journey growing up in the West End and tell us about the everyday life challenges for a teenage boy living in one of our city's most difficult areas.

Unsung Heroes Program - March 21, 2019

The Unsung Heroes Program honored 48 students whose high school experience reflected dedication to service, working behind the scenes without intent or purpose for recognition which is based upon the Rotary ideal of "service above self." Past President Tony Kemper was the emcee for the program and ensured that the students were given the recognition they deserved amongst Rotarians and guests. Congratulations to the students that were selected as Unsung Heroes!

CONNECT FOR GOOD.
