Dr. McGowan was appointed as Bellarmine University's third president in 1990. Under his bold leadership, Bellarmine began a remarkable 20-year period of growth and transformation that continues today and is mapped into the future. Bellarmine has added academic programs, faculty and staff; boosted enrollment; constructed beautiful and dramatic facilities across campus; and made the transition from commuter school to residential university. U.S. News and World Report, and The Princeton Review, both rank Bellarmine as one of the nation's top Universities; and The Kiplinger Report rates Bellarmine as one of the nation's top 100 private universities in affordability and value. Dr. McGowan received his doctorate in higher education from Columbia University in New York and his bachelor's and master's degrees from the University of Notre Dame. He is a graduate of Harvard University's Institute for Educational Management. ([more here](#))

Spin the Wheel! It's easy to win!

With a spin of the wheel by President Greg, you could be a winner if you happen to be sitting at the table with the lucky number!

Everyone at your table wins a prize. You might win a bottle of wine, sometimes a bottle of water, or ???! But Spin the Wheel doesn't happen at every meeting.
